Compassion In Action is providing opportunity for memories and commemorations to be captured in the structure of a “Memory Wall” at the entrance of the former “Wesley House” now Compassion In Action Inc.

If you have a childhood or any memory from the former Wesley House, or would like to dedicate the memory of a loved one, you may purchase a brick for the construction of the wall. Bricks are \$100.00 each with the family name and the year of the memory engraved on it. All proceeds will go to the R.A.W. D.A.W.G.S., Game Room in our new location.

To invest in the future of our community, providing a positive alternative to gang membership, call Compassion In Action 402-502-9890 and purchase or pledge to purchase your brick. Thank you for your active support and may God bless you!
