## From the Presidents' Desk

"Celebrate endings for they  
promote new beginnings"  
John Lockwood Huie

We celebrate the ending of our term as presidents with fond remembrances and we know that in July, the new presidents, **Joni and Mark Simon**, will celebrate the beginning of their presidency and begin to create their own memories. As the new Trail Dusters Presidents, we began our term with an eye towards an excellent term which would continue the upward trend of this great club. When we saw the tremendous amount of assistance and support we were given, we knew it would happen. Some of our goals were to bring back dancers who had danced with us in the past but had drifted away.

We also wanted to bring as many new dancers into the square dance community as we could. Both of these courses of action were positive and successful, for in our Wednesday classes we have 10 squares and we have 13 new dancers in our graduating class.

We also envisioned making the Trail Dusters an example for other clubs to follow. We promoted the summer workshops of other clubs

and encouraged our dancers to attend the workshops. We were excited to see both old and new dancers reviewing square dance calls and greatly improving their dancing skills over the summer. The attendance and support we showed the other square dance clubs by attending their workshops also reflected on the reputation of the Trail Dusters. It led to larger numbers of other club members coming to our dances as part of a visitation.

In April, for our 60th Anniversary Dance, we hosted a record number of 245 dancers who supported our Trail Dusters Club. People in the square dance community are still talking about our amazing success at this dance. We are happy to have enhanced our image with the square dance community.

We are leaving our job as presidents, but we will remain part of the Trail Dusters and continue to encourage the old members as well as the newer ones to take an active role in the running of the club. It is not only fun, but also rewarding. Many of the people who reluctantly took on some of the duties of running the club are not only happy they did, but are continuing this year with more responsibilities. The club could not function without them. We hope

that everyone reading this article will be inspired to take on a role in the upcoming year. There is always room for more to contribute.

We still have our graduation to look forward to on June 13th. We begin at 6:00 p.m. with dinner. This is followed by graduation ceremonies and square dancing. We leave office with fond memories of the wonderful year we spent promoting Trail Dusters.

As we celebrate the ending of a fantastic year, we look forward to the beginnings of an even better Trail Dusters year with our new 2018-2019 board. We want to say "thank you" to all of you for your help and support this year. We really appreciate it!

See you in a square!

**JUNE 9, 2018 IS OUR NEXT DANCE AND THE THEME IS**

The caller is our own local talent, Michael Kellogg. After calling at Bakersfield in March, Michael flew to Europe where he called dances in multiple cities leading up to the European Square Dance Convention and was greeted with great enthusiasm. Michael has a warm and energetic style of calling a tip with good music – and this means you definitely will enjoy dancing with him very much. Milo Molitoris will be cueing our round

dancers as they twirl, dip and two step their way around the floor.

The nibbles during the breaks will be good as our members always work hard in the kitchen to insure that no dancer either faints from hunger or goes home hungry! Sandy and Bob Sobel will only hire the best kitchen helpers! Drop by and give them and their staff a thank you for their hard work month after month – flier page 18.

Take this opportunity to mentor newer dances. You remember how hard it was to go to dances in the first year or so of learning so encourage those new dancers who can dance "plus" to come. Let them know that you will be there to support them. This is also the last monthly dance with Anita & Gary as our Presidents. What better way to show our appreciation for their hard work and leadership in the past year than to attend the dance and applaud them long and hard.

From Canada, we extend to them our thanks.

**Our May 12, 2018 Mother's Day Picnic Dance**

Hunter Keller had us all gasping for breath after his last hash call of the night. This was preceded by his wonderful, melodic calling throughout the night. He also did a great job of imitating Elvis, Bill Clinton, Garth Brooks and few other famous

people. Milo Molitoris did his usual excellent job of cueing rounds for us.

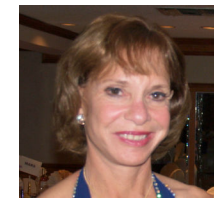

Our food table was adorned with baskets of veggies, fruit, cookies and ice cream, as well as the usual chips and munchies. The red and white check linens reflected our "Mother's Day Picnic" theme. A big thank you to **Caren Blumfield,**

**Sherwin Silver, Sandy and Bob Sobel** and all the kitchen help.

Many thanks to our visiting club members who helped fill the room.

## Sunshine & Showers

For our club family, the month of May was a mix of Sunshine and Showers. While many of our Trail Duster and Rail Duster members were enjoying a wonderful getaway weekend in Oxnard, **Marilyn Ross** was at home recovering from her third shoulder replacement. Hopefully, **Marilyn**, each new day finds you feeling better and with less pain than you had the day before. We all send warm wishes for a full and rapid recovery (and a return to playing Mah Jongg!)

**Sandy and Bob Sobel** recently made a trip to Las Vegas to attend a surprise birthday party given by **Bob's** middle son Paul for his girlfriend, Dedi. Paul surprised ALL the guests by proposing on bended knee! Now, **Sandy and Bob** are returning to Las Vegas for the May 25<sup>th</sup> wedding of the betrothed couple. Between them, they have 5 grown children and 6 grandchildren. Here's wishing safe travels and much happiness to you, **Sandy and Bob**, and to all your family!

It's a proud time for **Royce and Jacquelyn Walker** as **Royce's** daughter, Lauren Walker, has just received her Master's Degree in Occupational Therapy from CSU Dominguez Hills. As parents, this is a day to which we all look forward, and we extend warm congratulations to all the **Walker** family!

Our Coordinator, **Judy Comroe**, is a very proud Grandma these days. She just returned from Penn State University where she witnessed her granddaughter, Veronica Whitman, graduate Cum Laude with a BS in Accounting. Veronica has already accepted a position with the Mars Corporation in Hacketstown, New Jersey.

Veronica is also the niece of Trail Duster **Michael Whitman. Judy**, we share your pride in Veronica's accomplishments and wish her continued success in all her endeavors!

It is with great pleasure that I share the above happenings with you, my fellow club members. If others of you have happy or exciting news going on in your lives, I sincerely hope you will come forward and let me know (using the e-mail address below) so that I can share your news with the rest of our family. I look forward to hearing from you!

Have a wonderful June!

Warmly,

## Coordinators Corner

### Last article for the Class of 2018

Whew, last article by your coordinators. It is tough to write something interesting month after month and this time it is no different. Your coordinators have run out of ideas to keep our readership interested. Perusing back issues of the Dusty Trails, we stumbled across a Coordinator Corner article in the June 2012 issue which was written by then-coordinator Caren Blumfield. The article truly does express our thoughts as coordinators and we would reprint it here except that Madam Editor has a rule that plagiarism is strictly forbidden.

Paraphrasing is okay so here goes.

It is impossible to believe that our square dance year is coming to a close and that our Rail Dusters have been with us for 9 months. Our 13 students will graduate on June 13 and we hope that all Trail Dusters can take part in the celebration. You know the drill - dinner before the ceremonies start, the graduation ceremony and dessert. And yes, there will be a little bit of square dancing too. See information about graduation flier on page 19.

While not the largest class in recent years, we do have a unique group of individuals that make up the Class of 2018. Their stories are truly impressive. We have two last bios to share with you in this edition. I hope that you have had a chance to talk to them and get to know them during class breaks and the spring weekend. That has been a bonus for us coordinators.

Our Rail Dusters have been working hard at learning the calls. They still retain their enthusiasm, even after grappling with Relay the Deucey and other complex calls. Many of our students attend classes at other clubs and a number of them have pledged to attend classes this summer to become more proficient dancers.

We want to thank the angels and couples who came out week after week to help the Rail Dusters learn and practice the calls. We know it has been somewhat frustrating for you when a Rail Duster blows a call and the square breaks down. We do appreciate all of your patience and kindness helping them. And so do the Rail Dusters because of your efforts to talk to them during the breaks and have them feel wanted and special. This is what makes the Trail Dusters

Square Dance Club so special - it's our warmth and friendliness.

See you on June 13 for graduation and our last hurrah.

Wait, wait, oh no. Madam Editor says we have to write one more article - for the July edition? Our term of service ends June 30 so we have to write our final Coordinators Corner for the Dusty Trails. The new stuckees, er new coordinators, are off the hook and won't be at "work" until July. Stay tuned for another exciting Coordinator Corner article next month.

Let us introduce you to more of our Rail Dusters.

Larry Rofe

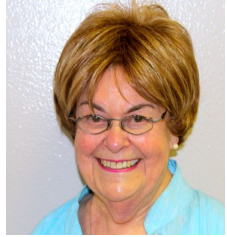

Larry Rofe is one of our Rail Dusters whose wife, Ana, sits on the

sidelines and watches every week. After 47 years of marriage, she still likes to be near him. They were high school sweethearts and Larry still says that marrying Ana was one of the most exciting things he ever did. They have a son and daughter and one grand daughter with another one on the way.

Larry was born in Munich, Germany but came to L.A. at five months old and never left. He attended Hamilton High School and got his BS degree from CA State University L.A. Larry worked 45 years in the commercial property insurance industry and has a Property Casualty Underwriters degree (CPCU). He has been happily retired for three years.

No one would ever guess that Larry was a cook in the army. He

was in the 306th Psychological Operations Battalion out of San Pedro. Larry and Ana love to travel, especially on cruises, and have seen most of the world. **Rhonda and Bill Shapiro and Sandy and Dale Kaufman**, after years of trying, finally persuaded Larry to join our club. We hope Ana's medical issues will soon allow her to join us dancing.

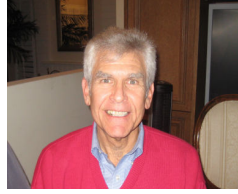

**Gayle Stern**

Gayle Stern and her deceased husband Mel (he passed away two years ago) graduated from Trail Dusters in 2002 before moving away to the desert. They were married for 55 years and have two daughters and four grandchildren. Gayle still considers her wedding day the most special day of her life.

Gayle was born and raised in Chicago but she and Mel moved to Los Angeles in 1965. Gayle attended the University of Illinois but graduated from Northwestern University with a major in Physical Education and Dance. She also took legal secretarial studies. She currently lives in Westlake Village.

Gayle has always been an entrepreneur. She has owned several businesses including a chocolate bar company and a commercial logo business. She has also designed and sold jewelry and is considering starting again. Gayle's cousins, Lee and Lois Goldman (long time Trail Dusters) first introduced her and Mel to our Club and because of her wonderful memories of how much fun they had dancing together Gayle has

decided to return as a single. We are thrilled to have her back!

**OUR INCREDIBLE MAY WEEKEND**

Every year people leave our weekend having had a wonderful time, but this year our weekend was "magical." The goodie bags and

decorations that Jane Lief and

Caren Blumfield provided were fabulous. The food that **Farryl**

**Dickter and Phyllis Saul** set up in

the hospitality room was endless. Many thanks also to **Jane Lief** and **Lainy Parlen** for their help.

After arriving, everyone went to the

hospitality room which extended to

the outside patio to greet each

other, play games and, of course,

eat and drink, Our group loves spending time together.

The weekend officially opened with

Bill Tapp and our veterans leading us in a flag ceremony and singing "God Bless America" with a video presentation of Kate Smith singing the first introduction of the song in 1938. Then our talented Diane

Jubelier-Light sang, "I'm in Love with a Wonderful Man" and dinner was served. It was followed by an introduction of first time attendees and our Rail Dusters – page 13.

The Rail Dusters were very funny.

Next, we were entertained by the wonderful voices and guitar playing

of Brenden and Greg. Then, again, off to the hospitality room!

Saturday we walked, had breakfast, and toured. The Seebee Museum gang really "toured the area" thanks to Caren's great directions. (Thanks for being such good sports). We finally all

arrived and enjoyed the docents"

presentations. Thankfully, the

afternoon tour of the Heritage

Homes went smoothly.

The highlight of the weekend was

watching everyone in different

sections of the hotel, practice their

skirts and set up their table

centerpieces. What a competitive

group! You all exceeded our expectations! We never knew we had so many exhibitionists in the group, not to mention the fabulous

bodies of our women in their bikinis! It was impossible for the judges to make a decision so "How to Stuff a Wild Bikini", "The Little Mermaid" and "Jaws" tied for first places. Every table was a winner (see pages 11 & 12 for photos).

We were then entertained by Rhonda Shapiro and her cast who performed their own multi-media presentation of "Chorus Line". The audience loved it!

Thank you to the writers, our director, and cast member who put in endless hours rehearsing for the show –picture pages 14 & 15.

We hope to see many new faces in the cast next year.

Then off again to the hospitality

room for maj, poker and more

shmoozing.

Sunday morning was filled with

uninstalling the old board

and installing the new board – see picture of new board on page 15,

Then the big moment when Joni & Mark Simon accept the presidency

Next came our famous Joke-Off. No one can ever take Judith Altman's place! We all threw socks and roared with laughter as

she smoothly transitioned her

jokes in between ours.

Many of us didn't want the weekend to end,

so we met for lunch at BJ's

in the area before heading home.

We heard many people saying, as they do every year, that "this was the best weekend of all." We hope to see all of you again next year!

Until We Eat Again,

Your Wagon Masters,  
Caren Blumfield and Jane Lief

## Kitchen Korner

Hello Rail Dusters & Trail Dusters

A great big thanks to **Phyllis & Simcha Saul**, our May kitchen helpers. Thank you to all of you who so graciously provided us with the fruit, desserts and cheese & crackers that we need to keep up our energy while dancing.

Also a very big thank you to **Sandy and Bob Sobel** who arrive early every week to help with this new, complicated kitchen set-up. I think

we finally have it working well, thanks to Jane Leif's amazing organizational skills.

June will be Jane's last month as Refreshment Chair. I will go on with next year's team, optimistically hoping it will be a very smooth transition (I'm sure it will be).

Again, we thank you for your help and generosity in contributing refreshments every week. The Trail Dusters know the routine, and the new class of Rail Dusters jumped right in and cooperated with us very nicely.

We had a fun year and hope to see everyone in a square, and of course at graduation!

## Ways & Means

Dear Trail & Rail Dusters,

We are sad to say this is our last month as your Ways and Means Chairpersons. This is the last month we will be writing an article for the newsletter. This is the last month you will hear tidbits about the restaurants we visit for the pre-class dinners. This is the last month Steve will be greeting you at the door with those little slips of paper to give to the cashiers so the club gets credit and receives a percentage of the receipts.

This is the last time you will be on the edge of your seats anxious to

hear from us to find out where we will be going for dinner that week. Will it be tacos from Sharkeys; will it be paninis from Corner Bakery or falafel from California Pita?

We have loved being your planners and hosts. We appreciate your participation in these fundraisers.

This month is a short month for classes. June 13<sup>th</sup> is the graduation where dinner will be at Bay Laurel. Make sure you sign-up for this graduation dinner – see flier page 19. **June 6<sup>th</sup> will be the only pre-class dinner in June.**

So, as our final hurrah we will be going to Steve's and my favorite restaurant in all of Los Angeles (no, not the Polo Lounge at the Beverly Hills Hotel) – **Sharkey's Mexican Grill at 5:30.**

Please join Steve and me there for our final week as your Ways and Means Chairs. Out with the old, in with the new.
