Come join us and sign up to play an active role in rediscovering nature and history in our own backyard! With us, you can help to preserve it and share it with others. As a Friend's Volunteer, you can help us in several different ways depending on what you enjoy doing and the time you have for us in your hectic lives. We do not ask for hours and hours of volunteer time...unless you want to. We don't ask for you to take a pick axe and blaze a new trail...unless you want to. Would you rather help us in our Discovery Depot a couple days a month, talking to guests and showing kids our interactive displays? Maybe you'd rather help us out with fundraising and grants. Or help us at the OMSI star parties where the sky and the stars are truly the limit!
