SUBJECT: Report of significant actions at TAAG's regular November 21, 2019, meeting

At its regular November 21, 2019, meeting, TAAG's board had no applications referred to it by the County Planning Department (PD) for review and comment that were not the subject of PD "information hold" (IH) letters. One project DRC2019-00221 Silzer Gonzales Winery was reviewed by the Project Review Committee on November 7, 2019 at their regular meeting; however, this project was deferred to later review because of incomplete application and County Planning Department's Information Hold. At the November 21 TAAG meeting, the Board unanimously recommended deferring action on this project until Information Hold is lifted.

Supervisor Peschong reported to the board on the latest activity, and planned activity, of the Board of Supervisors. Update report was presented by the Sheriff's Office liaison and Templeton Community Service District's liaison. County Planning Department liaison Kate Shea, supervising planner, presented pertinent information from the Planning Department.

Resignation of Delegates Christopher Cobey and Marie Roth were acknowledged and recognized for their dedicated service to TAAG. They each received a certificate of recognition from SLO County, presented by Supervisor John Peschong. These documents will be sent to their recipients by TAAG.

With the position of TAAG Chairman open, the Delegates voted unanimously to appoint Bruce Jones as TAAG's Chair.

Information was presented regarding Tin City Forklift Parade Event on 12/19/2019, The Board unanimously passed a resolution of support.

The TAAG Bylaw Committee presented a first reading of an amendment regarding conflict of interest to be amended to include "cohabitants residing in the same household." This amendment can be voted on at the next TAAG meeting in December. Also, the Bylaws Committee presented a list of proposed amendments to TAAG policy and procedure guidelines regarding conduct of TAAG annual Board elections. This was presented for further consideration by Board members and members of the public. A Bylaws and Election Committee meeting will further refine the recommendations to be presented at the December TAAG meeting.

Joseph Jarboe, resident of Templeton, was presented as a possible replacement candidate for one of the two vacated Delegate positions. He is a long-time resident of Templeton and works as a software engineer. He was available for questions at the meeting and has completed a Conditions of Service Agreement. The plan is for the Delegates to vote on his application at the December meeting.

This TAAG meeting was attended by all of the TAAG Delegates, except Christopher Cobey and Marie Roth, who had submitted resignation email letters prior to the meeting.

Any TAAG delegate attending this meeting may be contacted for further information about the actions taken at the meeting.
