Motion # 026-2017

Adopt Agenda

Motion by Hanson and seconded by Kline to adopt the agenda. All members voting yes. Motion carried.

Community Garden

Marsha Helkenn and Rachel Morehouse were present to promote a community garden. Using a format from other communities, they are asking the City to provide land, fence and water. Each gardener would sign an agreement to maintain their plots and agree to guidelines. Their group would enforce the agreements. The City will research costs and logistics and revisit at next meeting.

No public input so proceeded to department updates. Updates given by Altfillisch, Collins, Luttrell and Wellnitz.

Street Sweeper

Randy Schmidt from Sanitation Products presented a revised NJPA quote for an Elgin Pelican street sweeper for \$201,922.00. With the guaranteed buyback program, the cost would be \$30,408/year for five years with option to purchase for \$70,000 or trade in for replacement sweeper. Payment would come from the equipment replacement reserve. Collins received prices from Poppen Construction to hire out street sweeping for spring, fall and monthly cleanup for \$17,555/year plus water. Each additional trip would be approximately \$500/time and chip sealing sweeping extra. Starting in the spring and running through the fall, the street department sweep almost every day and are concerned by not having the convenience to sweep as needed.

Motion # 027-2017

Purchase Sweeper

Motion by Zemlicka and seconded by Hanson to approve purchasing a new 2017 Pelican NP street sweeper based on NJPA pricing, contract # 022014FSC with CapFirst Leasing, at a cost of \$201,922.00.
