Fri: Western Day

Looking ahead...

June 14

June 14

Summer Session I starts

Summer Session I Pmt Due (Tuition Increase begins)

Adjustment to current COVID procedures---Preschool and Pre K Parents - When dropping your child off at school, you may now take their blankets/jackets directly to their hallway cubbies. Please continue to drop their water bottle off in their class bins (located along the hallway near playground entrance) and take their lunches outside to the lunch rack. When picking up, you may also grab their belongings from the hallway cubbies, and/or escort your child down the hall to the classroom (please still wait at the door) to retrieve their belongings, as long as the students and teachers are not inside.

---We are still needing to do temperature checks of students before they are allowed to stay at school, so please continue to escort your child to a drop zone and wait for clearance before leaving the building.

Second semester progress reports will go home June 4th. Please check your child's Bin/ Cubby for their progress report.

June 4th---Promotion for the Pre-Kindergarten (Groovy Goldfish, Funky Foxes & Excellent Eagles) students will be held on the yard beginning at 9:45am and finishing around 12:00pm. Please plan for some congestion in the parking lot that day.

Theme week will be the week of June 7-11. Let's finish off the school year with a bang! Each day will be a different theme...

<u>Monday</u>	Treat Day (School will provide a treat during snack)
<u>Tuesday</u>	Pajama & Teddy Bear Day (Wear your PJ's to school)
<u>Wednesday</u>	Sports Day (Wear your favorite team's shirt/jersey)
<u>Thursday</u>	Crazy Hair/ Hat Day (Do your hair crazy, or wear a fun hat)
<u>Friday</u>	Western Day (Wear your favorite Western gear)

Our last day of the school year will be on Friday, June 11th. The teachers will have cute Western themed activities for the students to participate in, so join in the fun and come dressed up in your Rodeo gear. **The Pre Kindergarten classes (Groovy Goldfish, Funky Foxes & Excellent Eagles) will have a field day/picnic together on the yard (an early lunch will be provided). More information will follow.

**Pre School, Pre School Tots & Roly Poly's students will bring their own lunches as usual and proceed with their normal daily schedules/rotations.

For those students who will not be returning this summer, we wish you all the very best!
