Counselor's Corner

Love is in the air! We are certainly feeling the love in the month of February with tons of sweet treats and hearts spreading joy! We are also helping to celebrate February by focusing on healthy friendships and anti-bullying lessons in our counseling sessions. Students are learning about the differences in some common vocabulary: tattling vs. reporting, teasing vs. bullying, and bystanders vs. upstanders. Students are becoming better prepared to handle situations that involve bullying behavior. Parents, teachers, counselors, etc. are all trusted adults they can come to if they need help in these types of situations. We are a bully-free zone and encourage kiddos to be upstanders by getting help when they see, feel, or hear bully behavior. LISD is specifically focusing on Kindness this year. HVE Vikings have been encouraged to show random acts of kindness to their family, friends, and teachers. We invite your families to look for opportunities to demonstrate random acts of kindness together, too!

We are also focusing on Fairness for Character Counts for the month of February. We have been discussing playing by the rules, taking turns/sharing, being open minded and listening to others. These skills can be easily practiced in elementary school, yet are important life lessons that will be used for years to come! Please mark your calendars for Thursday, March 7th- we will be celebrating Fairness Character Counts Day by wearing ORANGE!
