

# Current Connection

Storm season starts June 1 —  
Be Prepared. Be ready. Be connected.

When a storm threatens, Gulf Power readies its Storm Center to support advance preparation, damage assessment and power restoration. We encourage you to visit the [MyGulfPower.com](http://MyGulfPower.com) Storm Ready Center for safety tips and information so you are prepared before, during and after a storm.

Be connected to Gulf Power with our **free mobile app** that has links to report and check on the status of a power outage and lets you view Gulf Power's power outage map. Search for Gulf Power in iTunes or Google Play to download the app.

You can also sign up for **text alerts** that you will receive when power is out and when it has been restored. To sign up, text REG to MyGulf (694853).

View the power outage map, pay your bill and get energy saving tips with our free Gulf Power app.

## Hurricane evacuation help for special needs customers

Counties provide shelter programs for those requiring special medical care. These shelters are available for people requiring more skilled medical care than is available in a public shelter but not requiring an acute care facility, such as a hospital. To register, please call the Emergency Operations Center in your area.
