*\*\*\*Important note regarding Photo Selection:*

*Photo Selection is a complimentary service we offer that has a strict 3-day window for you to make your selection. This is critical in ensuring that your league's photos do not experience delivery delays beyond the 3-day window provided. Should you miss this firm deadline, any requests for reprinting would incur reproduction fees. Enter your Access Code at [www.myssphoto.com](http://www.myssphoto.com).*
