SCHEDULE CHANGES

Due to the weather events we have experienced for the 2017-2018 school year and the loss of instructional minutes caused by these, the following adjustments were made to the remaining school calendar:

- The final day of school originally scheduled for Thursday, May 24th as an early dismissal day will now be **Friday, May 25th** and will be a FULL day of school.

- A number of minutes had to be added to our daily schedule as well, and some of this was accomplished by a few "internal" bell adjustments; however, dismissal time was moved back by two minutes making our final dismissal bell for car pool 2:40 PM and bus/car drivers 2:42 PM.

10TH GRADE STUDENTS ROCK SHAKESPEARE'S JULIUS CAESAR!

As the sophomores begin finishing up their unit on Shakespeare's Julius Caesar, they took a break from reading the play to act out some of their favorite scenes. They are doing a great job and have brought great enthusiasm to this age-old tale. Who said Shakespeare couldn't be fun? Keep up the great work sophomores!
