

I believe that God's Word is Spirit and life. Faith comes by hearing the Word of God. My faith in God and my position in Christ is the victory that overcomes the world and all darkness.

I am in fullness who God says I am. I have everything God says I have. I can do all things God says I can do. I am a son of God and a priest and king in God's family, Kingdom and courts. I am full of power, justice and might by the Spirit of the Lord. I have the power and authority to declare a matter and it shall be established.

I declare that I live in the secret place, under the covering shadow, hand and wings of Almighty God, El Shaddai, The Most High. I abide in Christ and Christ abides in me. My life is hidden in Christ and no harm can come to me. By my freewill choice, I love God, have full faith and trust in God, submit to God, and keep His commandments.

God will send His angels concerning me and He will strengthen, uphold, protect, bless, abundantly provide and fight for me because I am His son and He loves me. Father God loves me with an everlasting love and has made a covenant to do good to me and for me according to His great love for me and the truth and goodness of His promises. In Christ, every spiritual blessing in the heavenly realm is available to me and I hereby appropriate them in all fullness. Every promise of God to me is yes and amen and already established in my favor.

The life of Christ and fullness of God is within me. I am God's home and dwelling place. I am one with God, Jesus Christ and the Holy Spirit. Nothing can separate us. I have the heart and mind of Christ and only do that which is according to the heart and mind of God. God's will is my will, I am fully surrendered and obedient to Him, and I am in full alignment and harmony with Him, His Word and all His ways.

I surrender all of my physical and spiritual senses to Father God and the work and ways of the Holy Spirit. I ask God to fully sanctify me, including my imagination, that I may see what God sees and hear all that God says, that I may fully perceive the natural and spiritual realms, and that I may have knowledge, wisdom and understanding regarding all things.

I am seated in Christ far above every principality and power and all darkness. My authority is above and greater than their authority and I have the authority from God over the Earth to govern, subdue and exercise dominion, reveal and establish God's Kingdom, which is my Kingdom, in power and fullness here on Earth as it is in Heaven.

God has given me authority, power, anointing and commissions to heal the sick, cleanse lepers, raise the dead, set captives free, cast out demons and overcome the world and all dark spirits, powers, works, words and vessels of the enemy and to make every enemy of Christ His footstool.

I am loving, generous, prosperous, peaceful, joyful, powerful and free and I am blessed and highly favored by God, now and forever. I carry the government of God's peace and the power and authority of His Kingdom in fullness within me and reveal and release it wherever I go to His glory.

I destroy and cancel every assignment and every fiery dart, device, deception, lie, scheme, wile and weapon of the enemy against me. I break off from me, destroy and loose myself fully from all dark bondages, ties, chains, burdens, obligations and attachments and destroy all stumbling blocks and dark strongholds within and otherwise opposing me or standing in my way. I break off of me every curse or other dark word spoken regarding me and send it back to its source with condemnation and increase. I scatter the enemy and destroy his plans and works. I cancel any agreements I have made, either consciously or implicitly, with darkness and its

ways and designs. I pray for judgment and justice against any dark powers and vessels working against me. I submit myself fully to God now and forever and turn to Him fully in every way.

I release and loose to me all of the designs and resources of God and my heavenly inheritance to cause me to prosper, overcome, do God's will and become to the measure of the fullness of the stature of Christ. Father, please release Your angels concerning me and cause them to bring forward Your promises, provision and blessings concerning me. I bind all spiritual darkness that has held up anything Father God has for me. By faith, I ask God to send His angels to release that which has been held up, which You know I need for fullness of life and service and for Your destiny for me in Christ, my family and Kingdom to be fulfilled; and that You render justice and judgment in my favor, give me full recompense, and make me whole, safe, sound, perfected and my peace and joy full.

I thank you God for You alone are worthy and establish these things for me now in all fullness without delay. In Jesus' name, let it be done on Earth as it has already been done in Heaven.

Your Word says You will grant my prayers and establish my declarations – please do so in fullness even now without delay. Thank You – I love You. Amen
