

Mathematics

Title	Skill Book / Reading Level	Student	Materials	Description	Location
Fractions	5 – 6	Math	Workbook	Work with fractions	Teaching Aid
Golden Step Ahead - Multiplication & Division	3 – 4	Math	Workbook	Multiplication and division of whole numbers	Teaching Aid
Math Advantage - On My Own - Practice		Math	Workbook	Basic math, geometry, fractions, decimals, graphs, word problems	Teaching Aid
Math for the Real World - Teacher's Guide		Math	Teacher's Guide	Guide for books one and two	Supplemental Math
Math for the Real World - One		Math	Workbook	Reading and writing numbers, addition, subtraction, multiplication and division of whole numbers	Supplemental Math
Math for the Real World - Two		Math	Workbook	Work with decimals, fractions, percents and measurements	Supplemental Math
Math in Everyday Life		Math	Workbook	Students use realistic and accurate forms, worksheets and other paperwork to help build an understanding of any comfort level with the forms and related math applications that are part of daily living	Supplemental Math
Math in Everyday Life - Teacher's Guide		Math	Teacher's Guide	Students use realistic and accurate forms, worksheets and other paperwork to help build an understanding of any comfort level with the forms and related math applications that are part of daily living	Supplemental Math
Math Stories - Addition and Subtraction		Math	Workbook	If your student has been exposed to math fundamentals but needs practice with word problems, they'll be intrigued with Math Stories - math problems to solve that are folded right into entertaining stories to read.	Supplemental Math
Math Stories - Multiplication and Division		Math	Workbook	If your student has been exposed to math fundamentals but needs practice with word problems, they'll be intrigued with Math Stories - math problems to solve that are folded right into entertaining stories to read.	Supplemental Math
Pre-Algebra – Patterns in Math	6	Math	Workbook	The identification of patterns is a beginning foundation that leads to the understanding of algebra. The book is divided into four units: patterns, equations, representations and variables	Teaching Aid
Smart Solutions - Algebra and Geometry		Math	Workbook	Skills, problem solving, tools, and applications	Supplemental Math
Smart Solutions - Algebra and Geometry		Math	Teacher's Guide	Skills, problem solving, tools, and applications	Supplemental Math
Smart Solutions – Comprehensive Math Review		Math	Workbook	Skills, problem solving, tools, and applications	Supplemental Math
Smart Solutions - Comprehensive Math Review		Math	Teacher's Guide	Skills, problem solving, tools, and applications	Supplemental Math
Smart Solutions - Decimals, Fractions, Ratios, and Percents		Math	Workbook	Skills, problem solving, tools, and applications	Supplemental Math
Smart Solutions - Decimals, Fractions, Ratios, and Percents		Math	Teacher's Guide	Skills, problem solving, tools, and applications	Supplemental Math
Smart Solutions - Measurement and Data Analysis		Math	Workbook	Skills, problem solving, tools, and applications	Supplemental Math
Smart Solutions - Measurement and Data Analysis		Math	Teacher's Guide	Skills, problem solving, tools, and applications	Supplemental Math
Smart Solutions - Whole Numbers and Money		Math	Workbook	Skills, problem solving, tools, and applications	Supplemental Math
Smart Solutions - Whole Numbers and Money		Math	Teacher's Guide	Skills, problem solving, tools, and applications	Supplemental Math
