Looking Back at June

Now that the month of June has come and gone. We will have memories of another Father's Day celebration, maybe a special wedding or family reunion.

Many of us will remember the will of Mother Nature with all

the severe thunderstorms, flooding and destruction that happened in June.

We hope your celebrations are fun and safe.

Quote for July – "Dog days bright and clear, indicated a happy year."

Waterford Ladies Home received its annual visit from the State of Missouri. Your loved ones are in good hands according to our review. We are not only family at Waterford, but a team.

The Music in the Park series is a great opportunity to enjoy some time with your loved one and a variety of music. Check out the July calendar for the time and musical groups playing in the park this month.

Weather – Breezes are cool, barbecues are hot. Beaches are peaches. Find a good spot. Feeling no pain who'd complain? This air's like champagne dry and bubbly, showers are troublesome, stormy not too warmy Normy.
