

WARRANTY AND REPAIR CENTER

Fabricators for Fabricators LLC.

Warranty Repair Work

For warranty work, Fabricators for Fabricators LLC, offers a one year warranty on the FAB-125 A. stone cutter saw. This warranty starts upon the time of purchase and covers defects in material and/or workmanship. This warranty does not cover routine maintenance and normal wear. Warranty will be voided if disassembled, improperly serviced, misused, altered and/or has been repaired by unauthorized repair center.

Non-Warranty Repair Work

For repair work, Fabricators for Fabricators LLC. offers repair work that is not covered under warranty due to the warranty is either expired, voided and/or damage is not covered under the warranty.

Steps for sending in warranty repair work:

1. Print and fill out the form with a copy of the sale (receipt) and send it in with the product.
2. Mail the product to Fabricators for Fabricators LLC. 15000 Route 30 East North Huntingdon, PA 15642. Customer is responsible for shipping cost to and from the repair center.
3. After receiving the product, a claim number will be filed and work will be performed to determine the cause of the failure within 30 days of receiving the product.
4. If the failure is cause by defect and/or workmanship of the product it will be fixed or replaced at no charge to the costumer, except for shipping cost and repairs that carry a 30-day warranty.
5. If the failure is caused by anything other than defect and/or workmanship of the product, the costumer will be notified if they would like the product repaired or sent back to them at there cost.
6. Products that the customer does not want returned or are unclaimed within 90 days will become the property of Fabricators for Fabricators LLC.
