#GCPLROCKS!

WHAT IS IT?

Around Pulaski (and eventually Giles County) we have hidden a bunch of specially painted rocks. (Look for hints and pics on #GCPLROCKS! Facebook Group)

WHY?

We want to spread the LOVE OF THE LIBRARY and reach as many people as possible in a fun, creative way.

WHAT DO I DO WITH IT?

If you find one, keep it as a reminder to attend or volunteer for an event; share it with someone who might want to attend it or rehide it for us so someone else can find it.

BUT FIRST!!

Snap a picture of you holding the rock and post it to this group or tag Giles County Public Library's Facebook (www.facebook.com/gilescountypubliclibrary/), Instagram (www.instagram.com/gilescolibrary/), Twitter (@gilescolibrary) or Tumblr (www.tumblr.com/blog/gilescolibrary) page using **#GCPLROCKS!**

If you find one share it on the Giles County Public Library social media!
