

## **Donation Structure for the SDNR SOAR Educational Center:**

All contributors will be highlighted in public relations events we do and presentations that we give moving forward. Sponsors' names will also be listed on social media.

### **1. Buy a Brick Program:**

Within the donation structure is the Buy a Brick Program to highlight a person, family or business. For \$150 we will have a three line brick made with the inscription of your choice. Each line can have up to 18 characters per line and spaces count as one character. Purchasing one brick, puts you into the Veggie Garden tier - see below.
