smell it,  
hear it,  
see it,  
& love it.

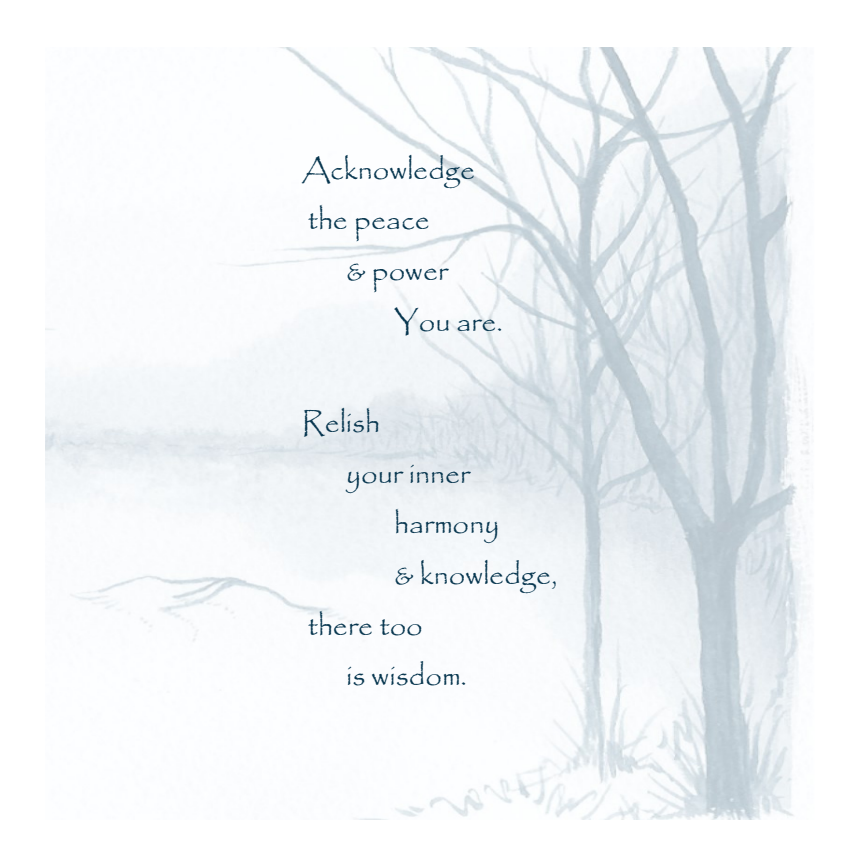

Experience  
all aspects  
of the earth,  
the oceans,  
the mountains,  
the plains,  
or the valleys.

Meet their  
constituents,  
watch the  
movement  
of the air,  
& water.

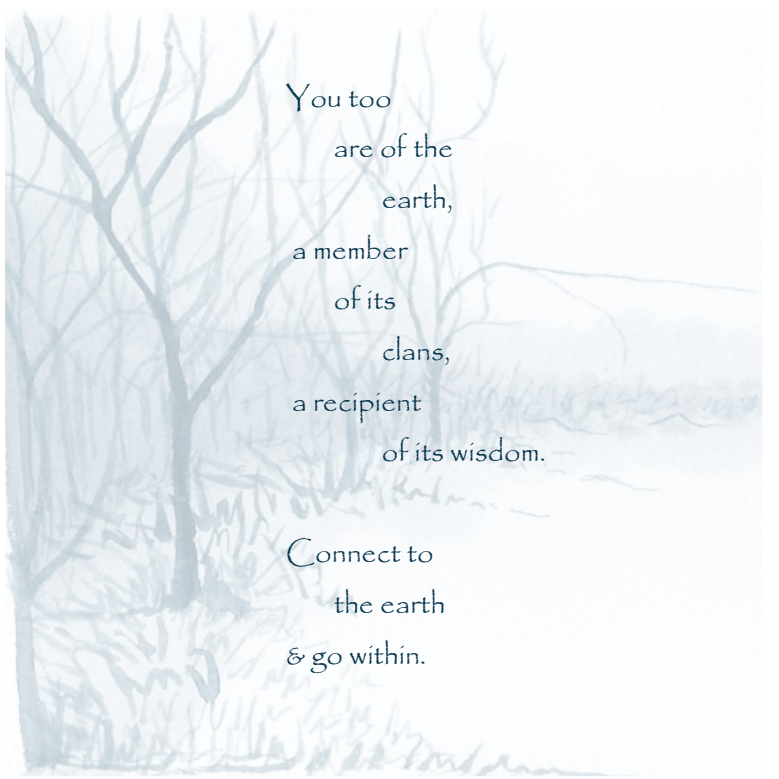

Feel the  
Spirit Winds  
which dance  
in these  
places.

Wisdom will  
be  
shared.

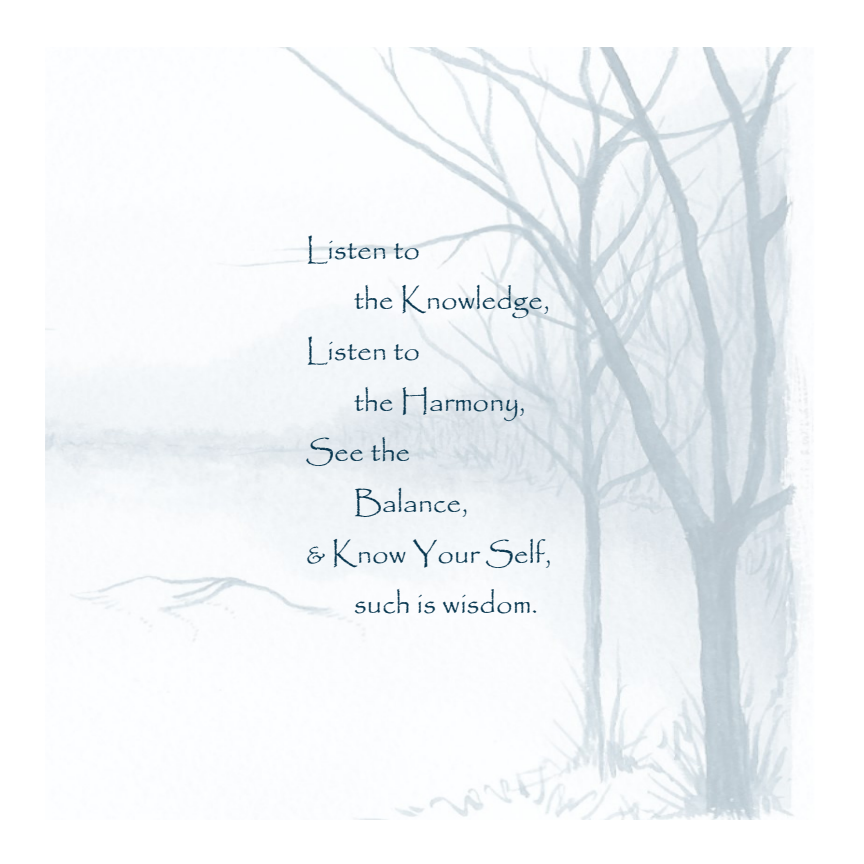

Acknowledge  
the peace  
& power  
You are.

Relish  
your inner  
harmony  
& knowledge,  
there too  
is wisdom.

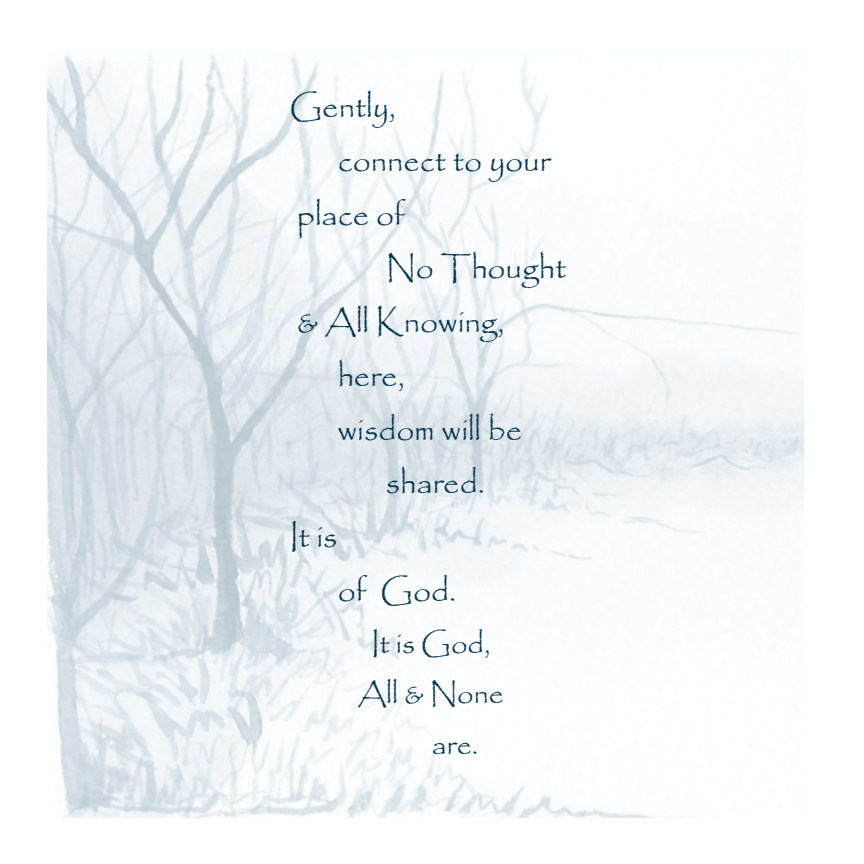

You too  
are of the  
earth,  
a member  
of its  
clans,  
a recipient  
of its wisdom.

Connect to  
the earth  
& go within.

The impact of Conversations with Rondu, ongoing since 1989 was a life change for me. I dreamt of sharing HER insight with others. Wondrously Ryan's response to HER words and love was a confidence and trust to tap into His Art so beautifully expressed here.

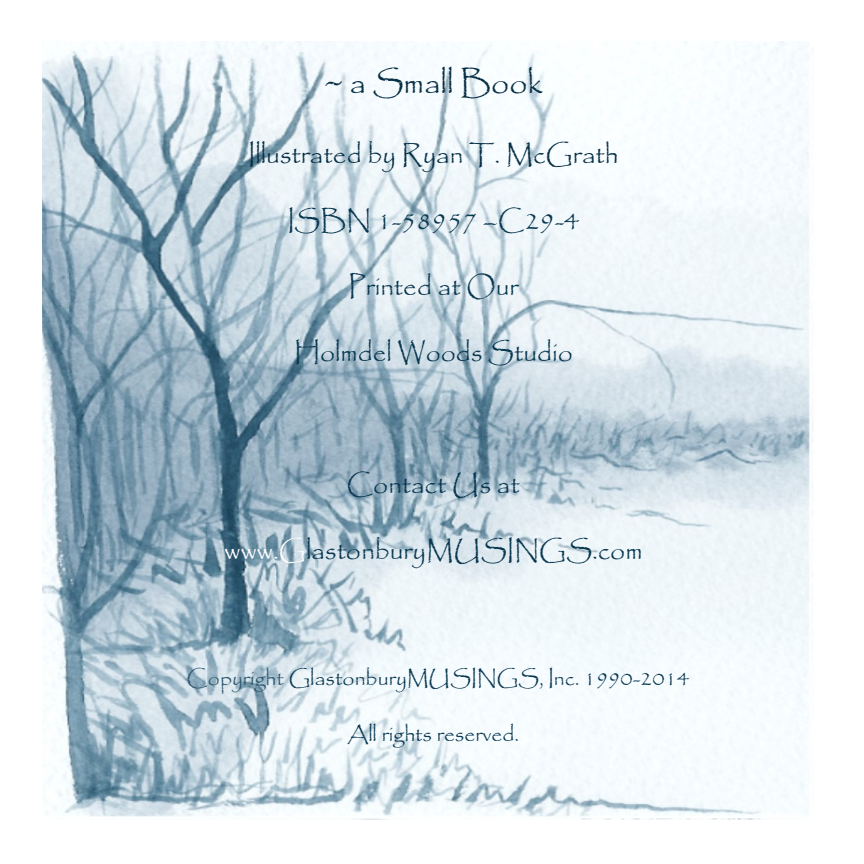

Thank you Ryan for the wondrous sense of the Mystery of Wisdom. Any of you who have experienced Life Force's Wisdom when walking the woods in the still of winter will love your interpretation of Rondu's words.

I hope reading of this Small Book enables you to get in touch with your High Self and to listen to Their silent wisdom for your inspiration and guidance.

Rondu is a love name I was told is my love Self, my High Self.

With much love,

- Ronda, Ronnie, Mum, Rondie May
