BREEDING - RACING THOROUGHBREDS

## MAY 2018 NEWSLETTER

Hello Partners, Friends and Followers!

**Our foals** are happy, healthy and well! Jewel, our filly by Flat Out - Simply Sapphire, and her foster mom have taken to each other quite well. All are thriving!

**All our mares** are doing well. They are excellent moms and we expect some to be in foal this year. The mares that did not have foals have enjoyed their time off from motherhood.

**Romancing the Cat and True Prosperity**, our two-year-olds, are progressing well as they continue their training into becoming racehorses.

**Our yearlings** are maturing well and growing as they remain well mannered. They will begin their journey into becoming racehorses at the training center later this year.

Stallions **Make Reservations** and **Trickmeister** have been making their trips to the breeding shed without a hitch!

We hope you had a chance to hear our radio interview on **HRRN's Equine Forum** on May 26th. You can always hear the replay at <http://horseracingradio.net> and give them a listen too!

**Our partnerships** are beginning to fill up. If you're interested, please do not hesitate to contact us with any questions or concerns.

**We invite** and encourage all friends and partners, along with their family and friends, to join us at the farm in Gardiner, NY almost any Saturday, as well as during breeding and foaling days. The experience is rewarding and a great way to relieve stress and have fun! Majestic View Farms is quite picturesque - remember to bring your camera!
