Newsletter July 2019

The AFLV plays a vital role in the diversity of our community, promoting the French language and French-speaking cultures in the Las Vegas area.

President's Preface

Dear Members, Students, and Friends,

Our thanks to all that attended our Annual General Meeting and Fête de la Musique on June 21st. We appreciate your continued support.

Every July, France celebrates the 14th of July – “Fête Nationale” or in the US; “Bastille Day” - as its symbolic date of the French Revolution in 1789, when embittered Parisians stormed the infamous prison, the Bastille. This led to the end of the French monarchy and brought about France’s strong democratic foundations. July 14th is celebrated throughout France and especially in Paris with massive parades and fireworks.

Similarly, the United States celebrates its Independence Day on July 4th, to commemorate the signing of the Declaration of Independence in 1776, which led to our war of independence from England. France was the US’s strongest ally in that war, and the two countries still enjoy a special relationship as friends and allies. As in France, many cities and towns celebrate with parades and fireworks.

These battles for independent democracies were hard fought, with many people sacrificing everything to achieve self-rule and personal freedoms. We still enjoy those fruits of their sacrifices today.

Whichever you celebrate, (why not both) we hope that you have a wonderful time.

Best regards,

Marc Zeman
