

Knight Scholar™ Program

Knowledge-Networking-Innovation Graduate Health-System Training

ABOUT US

Robert Wood Johnson University Hospital is a 965-bed hospital with campuses in New Brunswick and Somerville. RWJUH's New Brunswick and Somerset campuses now serve as the flagship hospital of Robert Wood Johnson Health System.

RWJ Somerset campus is nationally recognized as a Magnet® hospital for nursing excellence. Its Steeplechase Cancer Center is designated as a Comprehensive Community Cancer Center by the American College of Surgeons' Commission on Cancer. The Joint Surgery Institute at RWJUH Somerset has earned the Joint Commission's Gold Seal of Approval for total knee and total hip replacement surgery. The medical center is designated as a Primary Stroke Center by the Joint Commission and the NJ Department of Health and Senior Services.

SERVICES PROVIDED

RWJ Somerset's Pharmacy Department provides advanced and focused services to the surrounding communities of Central New Jersey 24 hours a day, 7 days a week. Integrated computer systems and automated dispensing technology are available hospital wide.

The Pharmacy Department is actively involved in the enhancement of patient care, protocol development and implementation, drug information, continuing education seminars, and precepting of students and pharmacy residents.
