Signature of Parent or Guardian: _____ Date: _____

The following criteria should help you in deciding which practice level is appropriate for your athlete. Other factors that could influence this decision would be the age and size of the athlete. The club coaches can also help you decide which practice to sign your wrestler up for. We can also move kids up and down after the season starts to make sure every wrestler in our program has the best experience possible.

Level 1 - Beginner (K to 2nd Grade, 0-1 years of wrestling experience)

This level is designated for the beginner in the sport of wrestling. This group covers the most fundamental and basic skills/ concepts of wrestling at the youth level. Practices for this group will be held one night a week for an hour. This level is meant to introduce wrestling to the beginner wrestler and create a fun environment to peak interest in the sport. Wrestlers at this level should compete at 2 or 3 Developmental Tournaments in the area during the season. The Linn-Mar Developmental tourney is Sunday, December 16th.

Level 2 - Intermediate (1st to 4th Grade, 1-3 years of wrestling experience)

The Intermediate group is for a wrestlers with a little bit of experience that would benefit from a slower progression of wrestling skills and concepts. In this group basic skills and fundamentals are continued to be developed at a moderate pace. The focus will be on more basic positioning in the top, bottom and neutral positions. This group will practice twice a week for an hour and fifteen minutes. Wrestlers in this group should compete at 1-2 Developmental Tournaments in the area and 2-3 regular wrestling tournaments in the area during the season. Athletes in this group would have the option to attend the district meet and qualify for state tournament at the end of the season if they are ready for that level of competition.

Level 3 - Elite (3rd to 8th Grade, at least 3 years of wrestling experience preferred)

The Elite Level is designed for experienced wrestlers who have demonstrated their understanding and skill in wrestling fundamentals. This group will be ran with a faster progression throughout the season while still keeping the emphasis on fundamentals. This group will progress into more complex positioning and moves that will enhance a wrestlers' skill set. The Elite group will also emphasize more in strength and conditioning than our Beginner and Intermediate Levels. Wrestlers in this group should compete in 4 to 5 local tournaments in the area during the season. Wrestlers in this group will have the option to attend the district meet and qualify for the state tournament at the end of the season if they are ready for that level of competition.

We will be picking 5 tournaments throughout the season that we will be sending the Lion Wrestling Club Coaches to. We encourage our club wrestlers to attend these tournaments so that our wrestlers have fun together while they learn how to compete in the sport of wrestling. This list of tournaments will be finalized in November. We will also have club coaches at the district and state meets to coach our athletes who sign up and qualify.
