Saratoga, CA 95070

School philosophy

Saratoga Vision Chinese School provides a nurturing and loving learning environment to the community. The small class size (no more than 15 students per class) enables a close bonding between students, teachers, parents and the school as a community.

Heritage Program

SVCS thrives to preserve Chinese cultural heritage, deepen students' learning and encourage creativity. The classes focus on four language skills: listening, speaking, reading and writing skills in Chinese. Classes are for students from kindergarten to high school age.

Chinese as a Foreign Language (CFL) Program

The classes focus on conversational Chinese for students from kindergarten and up. The curriculum targets students who do not have Chinese heritage background with little or none conversational ability, with the purpose of developing students' listening, speaking, reading and writing skills in a practical sense.

We welcome potential students and their parents to observe our class. Please contact us at info@svchineseschool.org if interested.
