**For Radautzer Award**

**Instructions:** Complete the Radautzer Award Nomination Table (below) and send in no later than December 31 of the award year.

- Award year is December 1<sup>st</sup> through November 30<sup>th</sup>.
- You may send in all of the horse's endurance information at one time (following their last ride) or in parts as the horse completes rides.
- NASS will confirm your horse's endurance results with AERC's official ride results. If your submitted information is not consistent with AERC information we will contact you to resolve the inconsistency.
- NASS will also check with AERC to identify competing Shagyas who could be eligible for this award, and use AERC results information. Since AERC records may not accurately identify all Shagyas, submitting this nomination to NASS will ensure your horse will be considered for the Radautzer Award.
