*We understand that some of these questions may be a bit personal; however we take our adoption process very seriously. We want our new owners to Love the breed as much as we do. We want to make sure our pup and dogs find the perfect place to grow old at.

Siberians can and will try your patience. We want you to have done the proper research and know the breed tendencies. Potential new owners should have some form of exercise planned already, and have or be willing to fence their yard. We want our new owners to be willing to wait for the perfect pup to welcome to their home; not just the first pup they see or the cheapest pup they can find. Siberian Husky adoption should never be done on impulse. This is your new family member, one that will be your best friend for the next 12+ years. When looking for potential new owners, we are really looking for a family who can provide a safe, loving, stable home for our fur babies!

Please keep in mind:

I'M A FOREVER DOG. NOT AN 'UNTIL' DOG. I'm not an "until you get bored with me" dog. I'm not an "until you find a girlfriend/boyfriend" dog. I'm not an "until you have a baby" dog. I'm not an "until you have to move" dog. I'm not an "until you have no time" dog. I'm a forever dog. If you can't give me forever, I'm not your dog. IT'S REALLY THAT SIMPLE.
