Dear Mr. Larocque,

I am writing to express my sincere gratitude for the opportunity to be the recipient of the 2019-2020 Moses Sheppard Scholarship Award. I am so honored to have received an award in the honour of such a dynamic man who contributed so much to his community.

Next year, I will be attending Dalhousie University for Integrated Science majoring in Neuroscience. After this I hope to attend medical school and plan on pursuing psychiatry. Thanks to this generous contribution, I will be able to spend more time in my undergraduate degree studying and finding ways to get involved and give back at a university level.

Thank you again for your support. I am so grateful that you have given me the opportunity to focus on learning and giving back during my time in university. This generosity further inspires me to look for ways that I can support and uplift my community. I hope that one day I will be able to help students achieve their goals as you have helped me.

Sincerely,
