

MS. WHEELCHAIR VIRGINIA NEEDS YOU...

“Serving Virginians with Disabilities”

In order for our organization to thrive, it must be governed by a strong Board of Directors that is dedicated to govern, lead, and work towards the fulfillment of the organization's mission. Board recruitment is not about simply filling seats, but is instead about finding skilled leaders to guide our organization now and in the future – after all, volunteers play a crucial leadership role in the ongoing success and sustainability of our non-profit organization.

Our mission

To educate, advocate and raise awareness of the abilities and needs of people with disabilities, in order to influence attitudinal, architectural, and social change for all Virginians.

Our vision

To inspire and motivate Virginians as role models of courage and hope.
