Timely and fresh, the fictionalized adaptation of "Newsies" addresses age-old themes of social injustice and exploitative labor practices as the young learn to harness their power against a corrupt establishment.

High energy with non-stop thrills, the stage version includes eight new songs by the original team of Menken and Feldman, while retaining many of the beloved songs from the film.

Directed by Templeton Drama instructor Catherine Kingsbury, the play will be performed in the Templeton Performing Arts Center on Friday, June 21 and Saturday June 22 at 7 pm with matinees on Saturday, June 22 at 2:00 pm and Sunday, June 23 at 4:00 pm.

ARE YOU PREPARED FOR AN EMERGENCY?

"20 Weeks to Prep"

*Provided by 1st District Supervisor
John Peschong*

The County Office of Emergency Services (OES) is launching a 20-week social media campaign this weekend, calling on residents to be better prepared for a disaster.

The campaign, "20-Weeks to Prep", will run Sundays beginning June 2 thru October 13 on the County OES **Facebook** and Twitter pages. Each week, County OES will post a list of disaster supplies to gather, along with tasks to complete for that week. The goal is to provide a step-by-step plan for residents to build an emergency kit that will be much needed during a disaster.

Using hashtag #SLO20W2P, residents will have an opportunity to share their progress as the weeks go by. County OES expects more management on social media platforms as a result of the campaign, leading to more people receiving emergency information during an incident.
