Redwing 3-Pt Club Mission and Purpose

The mission of the Redwing 3-Pt Club is to provide support, instruction, and organization of our basketball programs for boys grades 4 through 12. Players skills and fundamentals will be developed while encouraging sportsmanship, competition, and fun in a team environment.

The guiding principle behind participation in basketball is our belief in its educational value for the boys. Basketball promotes character traits of high value to personal development and success in later life. Basketball also plays an important role in creating a sense of community for all stakeholders. The players, coaches, parents, alumni, and our community will work together to provide the best experience to help produce fine young boys and playing basketball the way it is meant to be played.
