Lord, He Trusts in You!

⁶ So Jesus went with them.
He was not far from the house when the centurion sent friends to say to him:

*"Lord, don't trouble yourself,
for I do not deserve to have you come under my roof.*

⁷ That is why I did not even consider myself worthy to come to you. But say the word, and my servant will be healed. ..."

Honest Messaging from the Department of Defense

"Honest public releases of what we do, vice recruiting commercials... Also they should know that their military family members are riding obsolete aircrafts that don't have the maintenance funds or parts to stay safe and operational. Might help the civilian sector hold our political leadership accountable."

- NAVY SERVICE MEMBER

Educational Media and Marketing Campaigns

"Allow more documentaries to be produced about military lives. There are very few documentaries and articles that thoroughly explain or describe the hardships the families endure."

- ARMY SPOUSE

Educational Community Outreach

"More civilian DoD relationships for military members and transitioning veterans ... The divide is a major issue, but it is also our responsibility as veterans to share our stories and connect with our civilian communities."
