

# Take a Swing at Golf

Thursday, May 12<sup>th</sup>  
5pm-7pm  
Suite Shots  
Fargo, ND

Women's participation in golf in many ways represents their access to the same opportunities as men. For millions of American business professionals, golf is more than just a fun pastime. It's also an important place to make and build important connections that give them that professional edge.

This informal golf clinic will be presented by NDSU Women's Golf Coach, Matt Johnson and avid golfer Annette Ambuehl from Bell Insurance. From the game on the course to the business that happens on the course, this promises to be an evening that may inspire you to sign up for that next company golf scramble

This event is sponsored by NAWIC FM246.
