

Winter Windsock

Materials Included:

- Foam tube w/ double sided tape attached
- Double sided tape
- Foam snowflakes
- Streamers
- Cord to hang

Instructions

1. With the holes at the top, roll the blue foam rectangle into a tube and secure it with the attached adhesive.
2. Tie each end of the cord through a hole on the foam tube. Knot a loop in the middle of the cord to create a hanger.
3. Decorate the tube with the foam stickers (and anything else you want!)
4. Using the double sided tape, attach the streamers on the bottom, inside of the tube.
5. Hang it up and enjoy watching it dance in the winter breeze!
