# DYNAMIC COMMUNICATION

Are You Ready to Solve Your Communication Problems - Once and For All?

## Process:

- **2 hour interactive seminar, up to 10 participants**
- **Participants will complete a Tri-Matrix assessment beforehand and review their report.**
- **At the seminar, participants will complete a workbook that provides a great resource for learning and understanding the DISC language.**
- **The seminar will accelerate learning of the DISC language with general characteristics, descriptions, examples and exercises.**

## Benefits:

- **Successful knowledge and practical application of a behavioral communication model**
- **Understand your own behavioral design**
- **Recognize, understand and appreciate others' behavioral designs**
- **Learn how to adapt your behaviors for enhanced communication, understanding and relationships**
- **Learn how to apply the knowledge of DISC for a life-long impact, both on and off the job**
