

FRIDAY, APRIL 28TH

Concerning residents along the south side of Beacon Lane (138, 139, 140, 141, 142, 143, & 144), north side of Cove Place (224, 225, 226, 227, & 228), south side of Pirates Place (201, 220, 221, 222, & 223), and north side of Treasure Place (208, 209, & 210):

Valley gutter curbing will be installed along those areas from tomorrow morning (Friday), April 28th to Saturday afternoon, April 29th. Please remove your vehicles from your driveways and do not re-enter those driveways during that period of time. Please park on a side street, or a neighbor's driveway on the opposite side of the road from your home so that the valley gutters can have adequate cure time. Again, this is only for the period of time from Friday morning through Saturday afternoon (April 28th and 29th).

TUESDAY, MAY 2ND

Concerning residents along the north side of Beacon Lane (235, 236, 237, 238, 239, & 240), south side of Cove Place (229, 230, 231, 232, 233, & 234), north side of Pirates Place (215, 216, 217, & 218), and north side of Treasure Place (211, 212, 213 & 214):

Valley gutter curbing will be installed along those areas from Tuesday morning, May 2nd to Wednesday afternoon, May 3rd. Please remove your vehicles from your driveways and do not re-enter those driveways during that period of time. Please park on a side street, or a neighbor's driveway on the opposite side of the road from your home so that the valley gutters can have adequate cure time. Again, this is only for the period of time from Tuesday morning through Wednesday afternoon (May 2nd and 3rd).

Thank you!
