Pursuit Partners LLC Business Continuity Planning

Pursuit Partners LLC (“Pursuit”) has developed a Business Continuity Plan for how we will respond to events that significantly disrupt our business. Since the timing and impact of disasters and disruptions is unpredictable, we will have to be flexible in responding to actual events as they occur. With that in mind, we are providing you with this information on our business continuity plan.

Contacting Us: If after a significant business disruption you cannot contact us as you usually do at 203-321-5900 or at canelas@pursuitpartners.com or schepis@pursuitpartners.com , you should call our alternate number at 203-554-5779.

Our Business Continuity Plan: We plan to quickly recover and resume business operations after a significant business disruption and respond by safeguarding our employees and property, making a financial and operational assessment, protecting the firm’s books and records, and allowing our customers to transact business. In short, our business continuity plan is designed to permit our firm to resume operations as quickly as possible, given the scope and severity of the significant business disruption.

Our business continuity plan addresses: data backup and recovery, all mission critical systems; financial and operational assessments; alternate physical location of employees; critical suppliers, contractors, regulatory reporting, and banks and other counter-parties.

Varying Disruptions: Significant business disruptions can vary in their scope, such as only our firm, a single building housing our firm, the business district where our firm is located, the city where we are located, or the whole region. Within these areas, the severity of the disruption can also vary from minimal to severe. In a disruption only to our firm or a building housing our firm, we will transfer our operations to a local site when needed and expect to recover and resume business within 10 business days. In a disruption affecting our business district, city or region, we will transfer our operations to a site outside of the affected area, and recover and resume business within 15 business days. In either situation, we plan to continue in business and notify you either by email or our website www.pursuitpartners.com on how to contact us.

For More Information: If you have questions about our business continuity planning, you can contact us at 203-321-5900 or at canelas@pursuitpartners.com or schepis@pursuitpartners.com
