

Hi folks!

Last Sunday's online concert was a great success!

Let's get together again for a fun, inspiring hour, drinking deep into some good spiritual ideas, beautiful melodies, and thoughtful song-prayers. I'll be playing requests I received this last week as well as some others.

The concert will be ...Sunday March 29, at 8:30 PM EST/5:30 PM PCT and go for about an hour. Click [HERE](#) to go directly to the event page on Facebook. The live video will begin right at 8:30/5:30.

Asking \$10-\$20 for those who can, either through Venmo (alex-cook-73) or [HERE](#).

For those who were at last week's concert, the sound quality should be much better this time around! If you'd like to listen to some of my tunes before or after the concert, visit [www.alexcookmusic.com](http://www.alexcookmusic.com). All 7 of my albums are available to download or to purchase on CD. See you Sunday!

See you there! <3
