

Byron White Inn of Court

June 30, 2020

Dear Members and Colleagues,

Our Byron White Inn of Court has long been the opportunity for the judiciary and attorneys in Larimer and Weld Counties to enjoy social time with each other, engage in discussion, and hear timely legal topics. What makes it so special to all of us is meeting in person - having the chance to shake hands and share our thoughts.

Sadly, the COVID-19 restrictions which are so important for the protection of the health of our members and colleagues prohibit our traditional meetings. We had announced the plan to have a special evening in July to cap off the year. After carefully considering all information available, we, your Executive Council determined that it would not be prudent to do so.

Over the summer, look for messages from the Byron White Inn of Court from time to time. We are committed to resuming our traditional meetings this fall, providing health and safety concerns permit.

Take good care of yourselves!

Your Executive Council,

Kathie Troudt Riley

Doug Stratton

Samuel Kornfeld

Michael Krueger

Danielle Palardy

Judge Charles Unfug

Alden Hill
