All dancers will have their individual and group pictures taken during their scheduled class times. If you prefer not to have an individual picture taken, please email asod@centurytel.net in advance to inform us. Due to many families with multiple dancers and classes, it's not possible to schedule all pictures on the same day, and we appreciate your understanding if picture days don't align for everyone. The schedule may be adjusted slightly as we approach the picture day, and we will send an updated email if there are any changes.

If your dancer's class isn't scheduled for pictures on December 7, we will share additional picture day schedules that include all remaining classes as soon as those dates are finalized.
