

OakPark Preschool

July 2018

Thank you for your responses to our recent parent survey. We are always working towards the best quality of care we can provide and value your feedback and ideas. The overall results of the survey were very positive. One area that stands out to us as needing improvement is communication between the center and parents, and we will be addressing that in our yearly Step Up To Quality Continuous Improvement Plan. If you have specific ideas, we welcome your input!

We've loved having our school agers back for summer and have been enjoying exploring each weekly theme with them. During July the children will be reviewing what they've learned about their interests and talents to create their own business for our Young Entrepreneur unit. One of those businesses will be a class Sidewalk Sale. The children will be creating all of the crafts and treats for sale. You may even see an individual business or two pop up. We'll be inviting our neighbors, and we'd love if you'd invite your family and friends. Be on the lookout for a flyer designed by the school agers to share! We hope to use the proceeds to fund our Camp Trinity trip at the end of the month.

Please use a **Change of Attendance Form** for all vacation and schedule changes. These are located in the tuition box between the offices and should be placed in Miss Inta's mailbox two weeks in advance .

Dates

- 4 - Center Closed
- 12 - Preschool Stretch-N-Grow
- 17 - School Age 1 Rec Center Trip
- 18 - School Age 2 Rec Center Trip & Preschool/Pre-K Bookmobile
- 19 - School Age Stretch-N-Grow
