Guidance for the Use of Face Coverings - Effective June 15, 2021

- Masks **are not** required for fully vaccinated individuals, except in the following settings where masks are required for everyone, regardless of vaccination status: Public Transit, inside Schools, Healthcare settings, Correctional facilities, and Shelters.
- Masks **are** required for unvaccinated individuals in indoor public settings like local government offices serving the public (APCWD).

Arrowbear Park County Water District will provide the information in this letter to all Staff, Board Members, Customers, Vendors, and Visitors regarding mask requirements and allow vaccinated individuals to self-attest that they are fully vaccinated or that they meet an approved masking exemption prior to entry without a mask.
