ALISMAIL OFFICE SYSTEM - AOS

ALISMAIL OFFICE SYSTEM - AOS is one of the pioneers in manufacturing & fabricating of steel furniture in kingdom of Saudi Arabia.

In 1972, the company began operations in a modest factory in Dammam, years later, ALISMAIL has become a major manufacturing company due to the remarkable growth it experienced from the start, nowadays Alismail Office System is now considered one of the biggest and more advanced company, and leader in producing top of the line and quality Steel Furniture.

ALISMAIL also strive to maintain a quality work environment, which has a direct impact on the retention and productivity of our skilled employees. ALISMAIL is a model of excellence whose entrepreneurial performance and vitality have been rewarded with numerous prestigious awards.

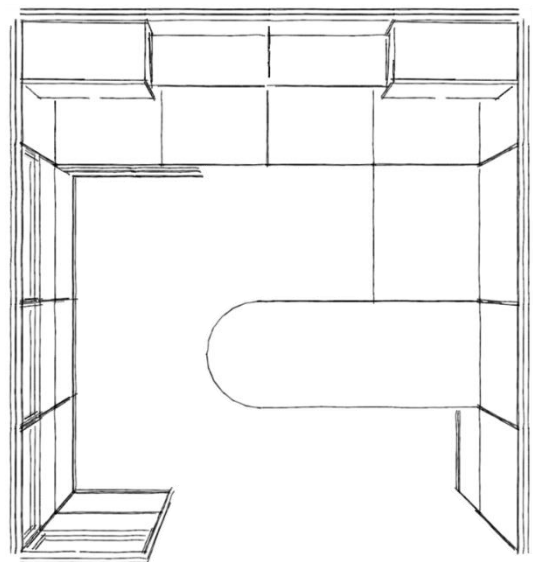

Our commitment to sustainable development is also recognized in our industry. For all these reasons, we take great pride in presenting Alismail Office System to society, an industry leader and a contributor to the economic and social development of our communities — through its products, its success and its responsible vision.

MANAGER DESIGNS :

In this Quatro design, you can create a private office suitable for a manager. It includes :

- Higher panels to promote privacy along the aisle.
- Glass panels near the window to bring natural light into the space.
- Plenty of enclosed, lockable storage above and below the worksurface to hold sensitive information.
- A U- shaped worksurface arrangement for creating a natural conference area to accommodate conversation with team members.

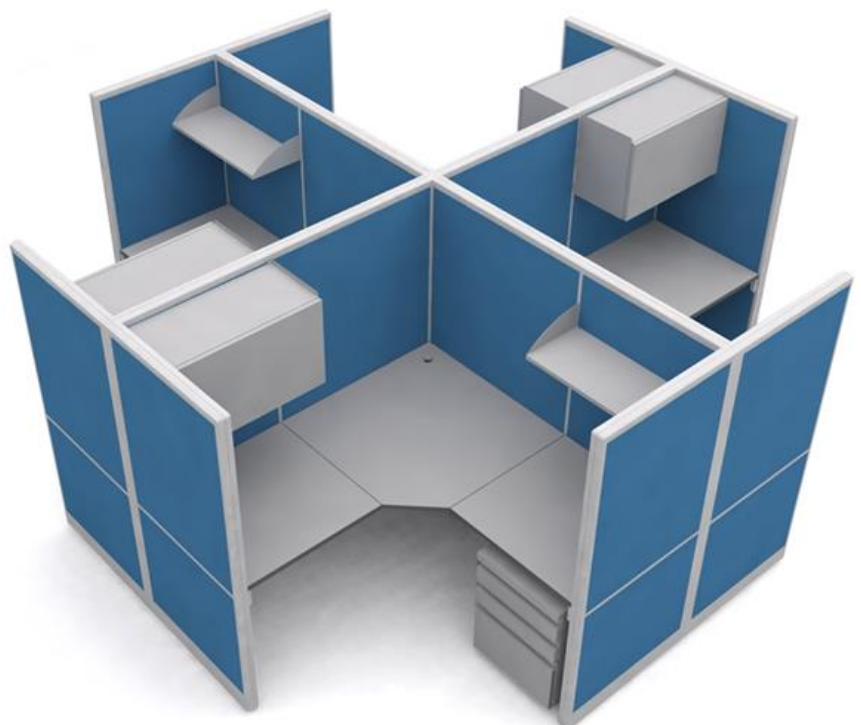

CONCENTRATION DESIGNS :

This Quatro design is intended for people who handle sensitive information or need to concentrate on heads-down work. It includes :

- Higher panels.
- Glass panels to benefit workstations from natural light.
- Tackable panels and open storage above to keep items off the worksurface.
- Pedestals below to keep work acceptable.

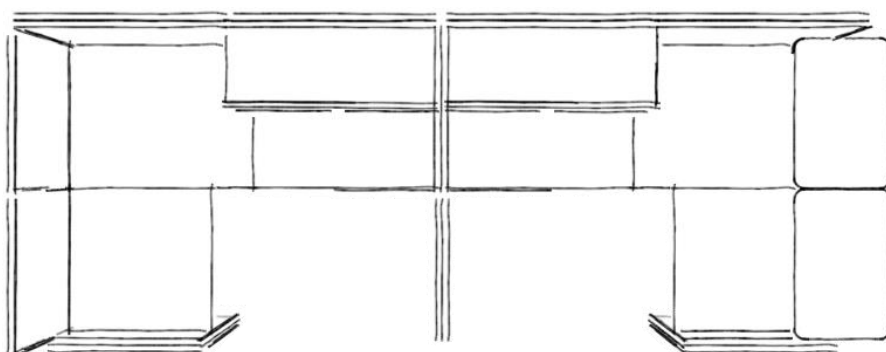

OPEN AREA DESIGNS :

This Quatro design is suitable for an open work area to the public. It includes :

- Shared workspace.
- A transaction counter and paperwork.
- Overhead cabinets with doors and a storage tower to minimize clutter.
- Open storage for personal files while keeping work within reach.
- A lower dividing panel to provide privacy without disrupting communication among workers.

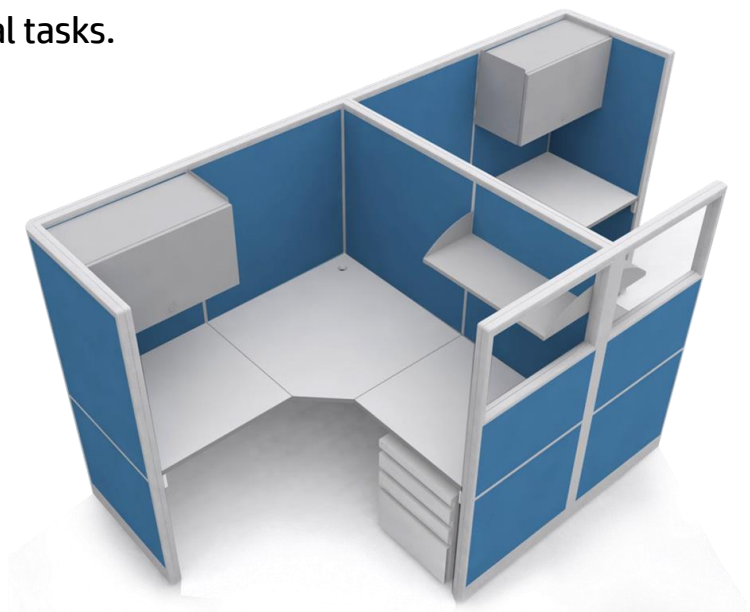

ADJUSTABLE DESIGNS :

This Quatro design helps workers adjust work styles throughout the day, from concentrated work to team brainstorming. It is intended for people who perform the same function and need to share information throughout the day. It includes :

- An ample privacy to each person.
- Roomy storage with overhead bins.
- Spacious worksurface for individual tasks.
- A table within the workspace and mobile pedestals that double seating make it easy to come together
- when it's time to collaborate .
- A conference table creates an adjacent teaming area for spontaneous group meetings.

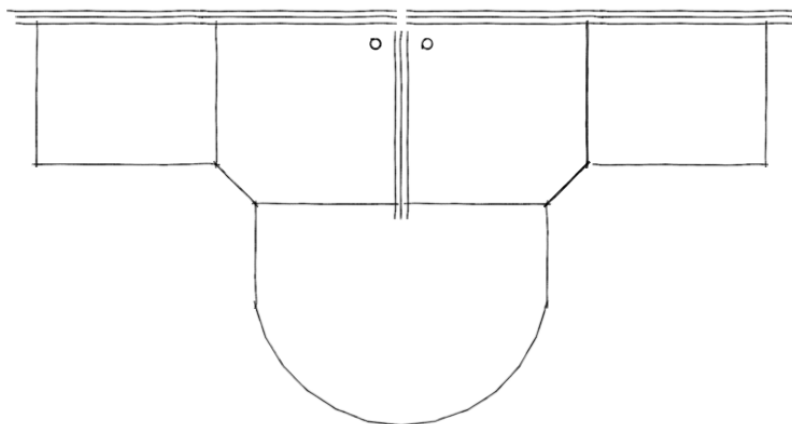

SHARING DESIGNS :

This Quatro design is suitable for people who perform the same function and need to share information throughout the day. It includes :

- An open configuration.
- Lower panels.
- Tool rails and monitor arms to keep items off the desktop.
- Integrated D-Shaped worksurface makes it easy for workers to come together to collaborate and then quickly return to their personal work areas.

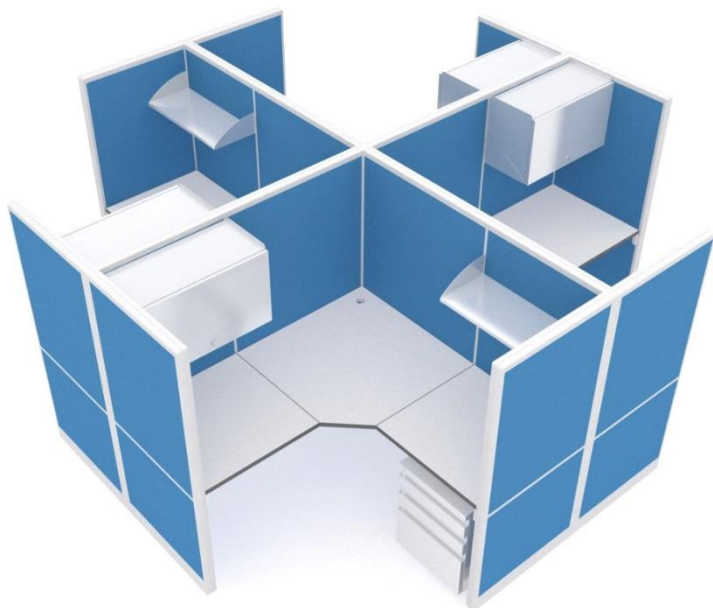

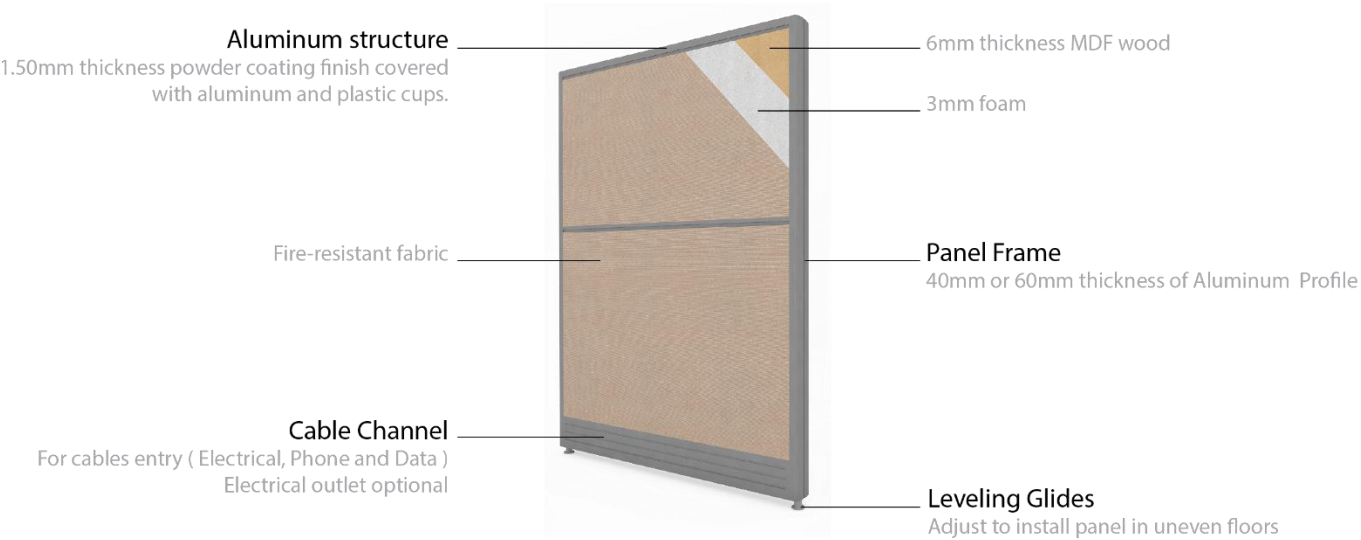

WORKSTATION MADE EASIER :

Whether you are outfitting a call center, creating teaming areas, replacing a reception desk, or adding new stations for managers, Quatro can help you make the most of your office with Quatro.

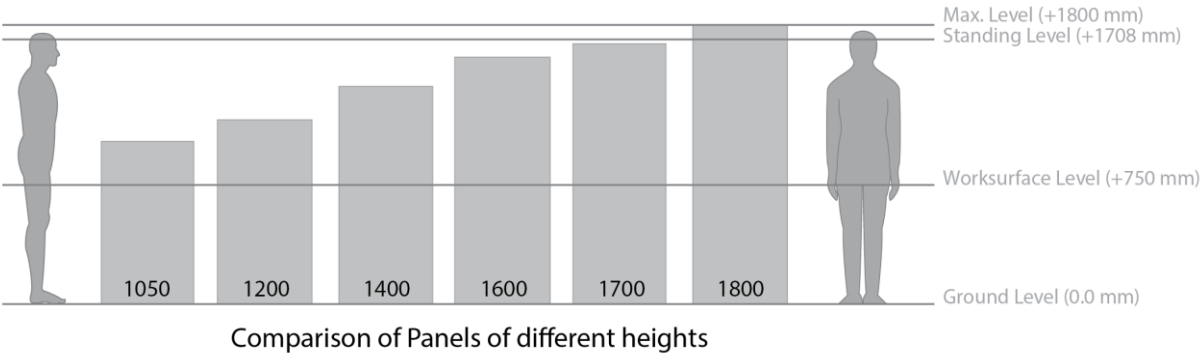

By bringing together panels, work surfaces, and storage in one cohesive offering, we've made it easy for you to create efficient, well-designed spaces. All you have to do is configure these quality components to fit the needs of everyone in your office. Let us show you how.

PANEL SPECIFICATION :

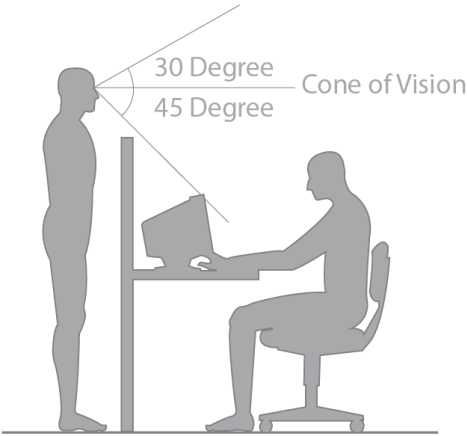

Optimize panels make the most of the finest materials, so your investment will stand the test of time.

SELECT PANELS :

Quatro panels are available in a variety of heights and widths with a wide selection of fabrics. So you can decide how you want to divide space and control privacy.

ADD STORAGE UNITS :

Quatro offers a range of hardworking storage options to fit different work styles, from overhead bins and mobile pedestals to lateral files and personal towers.

- All Storage Units are Fully welded body for strength rigidity and durability.
- Fabricated using grade 0.7mm thk. prime quality furniture steel.
- All storage units are Powder Coated with same color internally & externally.
- Heavy duty lock (with two keys) is furnished as standard equipment.
- 2000 of non-interchangeable key combinations.
- Master key available (optional).

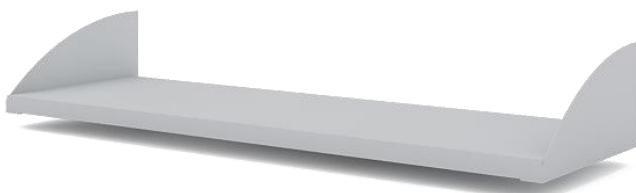

DRAWERS PEDESTAL :

- 3-drawers pedestal (mobile or Fixed) with two small drawers and one big drawer for storage of office utility.
- Drawers Open full depth for total access to the contents
- Each drawer has full width and integral flush front (with finger-pull action).
- Full extension slides with precision steel ball bearing per drawers.

OVERHEAD CABINET AND SHELVES :

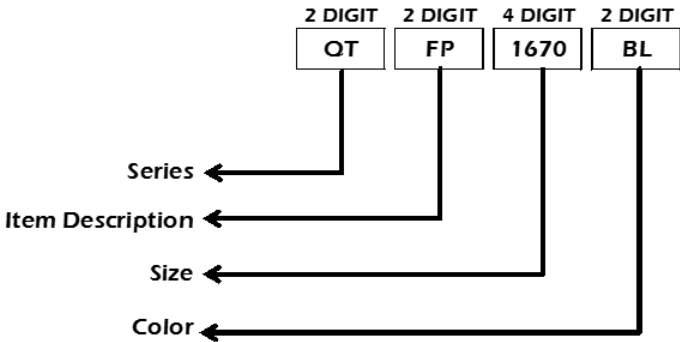

- Overhead cabinets and Shelves are hinged in the wall of the workstation to ease the access of office files.
- Overhead cabinet door is self closing.
- Increased safety in the workplace by slowing the speed overhead doors as they close .
