The “Crank” Case

What a great turnout we had for the July picnic, meeting and car club show. I’m sorry the rain chased everybody away right after the meeting because there was more car talk and games to be played. Thanks to Jeff & DonaLu O’Neil for setting up the car show and handing out some fantastic awards to the club members. Thanks to Reed & Linda Hiltermann, Bryan Lowry and Marc Schips for purchasing and cooking the food.

It’s been 15 years since I have installed new upholstery in an old Mustang. It was on my daughter Michele’s ’67 Coupe. I was able to experience that again a few weeks ago when Dick Collins called me and asked if I would help re-upholster his front seats in his ’68 Fastback. I told Dick that I would be happy to help only to find out later that Dick and Jamie had spoken earlier this summer and Jamie had already volunteered me to help and just hadn’t told me. Anyway, knowing the task at hand, I enlisted Mike Taylors help as well. Thanks Mike! When Dick arrived at the house, he only had ordered new foam for the driver’s seat, thinking he would cover the old foam on the passenger seat. However, after pulling the new foam out of the box and comparing it to the original driver’s seat foam, he decided to wait on the passenger seat and order new foam for it. Yes, original foam from 1968, considering the car was built ~ 50 years ago folks, it needed it. With today’s foam technology, I think this was a wise choice, because it will make a huge difference in Debbie’s comfort (passenger seat) for a long time to come. So, if anyone is thinking of re-upholstering their Mustang seats, and want to experience it before tackling their project, we will be working on Dick’s passenger seat in the near

Hoofbeats

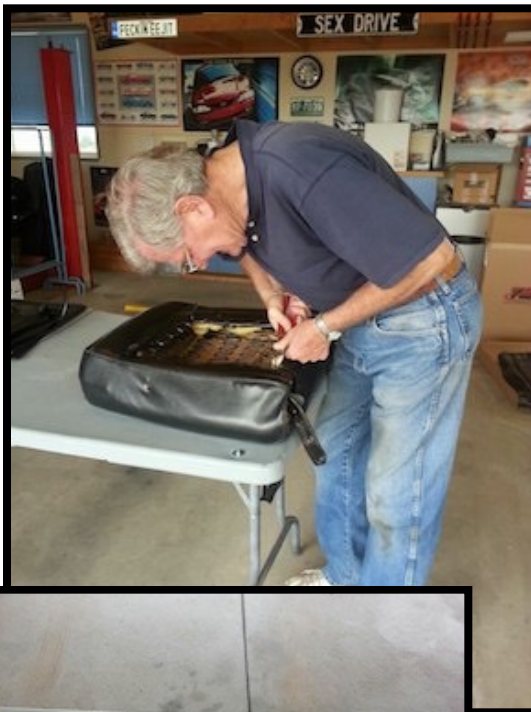

future. All I can say is Ford must have had a jig to hold the seats in place because between Dick, Mike and me, we all three were holding, stretching, pulling, pushing, crimping, cutting, and re-crimping. At times, it looked like we were trying to grab a greased watermelon in a swimming pool... but it was a good time for car talk.

Not only is this coming Saturday, August 19th, the club meeting at IHOP on Stetson Hills, but at 9:00am, the club is doing a DYNO day at Rocky Mountain Competitive Research, located at 2275 Waynoka Rd. What a better way to know how your car is performing (at altitude), whether it is the first time you have Dyno'd your car to get a base line or have completed modifying your drive train and want to see the final horsepower and torque. It's only \$40 folks ... trust me this is a bargain. Even if you don't want to do it on your car, come out and see how it's done and watch other club members REV their engines. I'm going to put the '05 to the test. It's always fun to dream about putting a super charger on my car...huh Jamie? I want to thank Jeff O'Neil for setting this up.

Also, don't forget about the Old Colorado City Customs & Classics car show on Sunday, August 20th. See more in this newsletter.

See you there,

Neil

Club Meeting Minutes (15 July)

The meeting was called to order at 12:10 PM by President Neil Case.

There were no new members or guests present.

The minutes from the June meeting were read and approved.

The treasurer's report for June was given and approved.

Old Business

There are still several of the new style name tags that have not been picked up.

Members were asked to take club business cards and flyers to pass out to prospective new club members.

Neil announced the results of the survey about the club logo and the meeting place. The newer logo and not moving the meeting location each month were the choices.

There may be a need for an order of club T-Shirts in the future but, we will wait until we have the new logo.

New Business

Next year there will be a need for a Roundup representative and someone to replace Bryan on the Old Colorado City Customs and Classics Car Show board.

Neil gave a list of upcoming event that the members might be interested in. They are:

- ❖ July 20th the Mecum auction in Denver
- ❖ July 25th the Sky Sox game
- ❖ July 28th Pueblo Motor Sports park for Friday night drag racing
- ❖ August 5th First and Main show and club cruise to the Shelby Museum and the Golden Super Cruise
- ❖ August 19th club dyno day at RMCR
- ❖ August 20th the Old Colorado City Customs and Classics Car Show. The club will meet at 5:45 AM in the King Soopers parking lot located at 19th and Uinta. There is a need for volunteers for judging and parking.

The winners of the popular vote car show were announced. They were:

- ❖ Mike Taylor
- ❖ Stew Harding
- ❖ Mark Dellacorce
- ❖ Terry Myers
- ❖ Dave Brown
- ❖ Louis Torrez
- ❖ Larry Sipes
- ❖ Rex Hiltermann
- ❖ Ross Schwyhart

Hoofbeats

A big thank you to Reed Hiltermann and Marc Schips for manning the grills at the picnic and to Jeff O'Neil for putting on the car show and providing the awards.

The door prize drawing was held.

There was a motion to adjourn the meeting and it was passed. The meeting adjourned at 12:45 PM.

Club News

Dick's Dialogues!

Mustangers-what a difference a year makes- last year at this time we were talking about how hot and dry it was-is this the same place we were living in then? This summer has been unusually cool and with lots of rain; can you remember the last time you saw a "Fire Danger Today-LOW" sign going up Ute Pass? Despite the weather, we were able to sneak in an impromptu drive up Ute Pass to Colorado Wines on July 10th for buffalo burgers and a good time along the creek side. Thanks to Al Alberg, Michael/Michelle Bielby, Joel Jantzen, Robert/Chris/Bekah Jimenez, Jim/Rebekkah/Emily Nass and Fred/Shawn Sontag for joining Debbie and I. The day started sunny and clear, with late afternoon showers possible; well those showers showed up just as we were paying the bills-bringing a mad dash to put up the tops, for those with convertibles-too late!

We also had our annual club picnic and regular club meeting on July 17th. This year we held the picnic at Bear Creek Park, on the Westside, where we could get a covered

pavilion. The day started out cool with some clouds and I wasn't sure whether to go or not; however, with nine feet of giant sub sandwiches and other stuff we decided to go for it. Despite the threatening skies, we had a good turn out, good food and great company. We did start a little bit earlier than usual, to try to beat the rain and lightning-guess one out of two isn't too bad. Actually we had no lightning (although heard a few rumbles to the west) and the rain held off until the picnic and meeting were over and all had gone home-I did have a few sprinkles on the windshield as I drove home. We also got to greet another new member, Toby Volz (one of Brian Lowry's co-worker's) who joined us there; it was even his first week here in Colorado Springs. Toby brought with him his beautiful, red, 68 California Special; his wife and family will be joining him soon. I'd also like to extend a warm welcome to Diane Sorlie (Duane's wife), who was with us for the first time. All total, I think we had around 25 who braved the weather. The cars attracted a lot of interest from three busloads of young

Club Clothing

There are two sources of club clothing: Graffi-T's Screen Printing and More, and Lands' End. Graffi-Ts is located in the Springs and provides silkscreened clothing. Lands' End is available online and provides their clothing embroidered with the club's logo.

Graffi-Ts

Graffi-T will provide club clothing that includes the Mustangers logo on the left chest and the running horses across the back. The long sleeve garments also include a left and right sleeve print. The colors that work best with our logos are: white, light grays, light blues, pinks, light greens, yellows, red, tans, and orange. The available styles are: sweatshirts, hoodies, long sleeve t-shirts, short sleeve t-shirts, and ladies v-neck t-shirts. A minimum order of 24 or more pieces in mixed styles, colors and sizes is required. In order to meet the minimum order quantity, the club accumulates individual member requests until the minimum quantity is met, then places an order. There are shirts available from previous club orders. Please contact Bryan Lowry about clothing currently in the club's shirt inventory.

Lands' End

Rocky Mountain Mustangers stitched-logo apparel is available from Lands' End. Use this link [Lands' End](#) to access the club's Lands' End website to place an order. The logo is shown below. Clothing items include shirts, sweaters, blazers, jackets, and caps.:

The cost of an item is the cost to apply the logo to the item you select (\$8.50) plus the cost of the item itself, and shipping (typically \$9.95 for multiple items). There is no minimum quantity; orders may be placed for single items. The time from placing the order to receiving it is typically three weeks.
