

Hi Friends,

My name is Taylor! I am from Wyoming and just recently moved to Austin, TX. I was involved in multiple sports growing up including soccer, volleyball and track and field, including pole vault! I was also a competitive cheerleader in high school. After high school, I began coaching youth soccer to 3 and 4 year olds during summer breaks. I am excited to continue coaching with a new focus in gymnastics and look forward to meeting all the kiddos.
