President Andy Manthei called the meeting to order at 6:08pm

1. Old Business:

- a. The Athletic programs are for sale in the concessions stands. President Andy Manthei reached out to all the parents who wanted a program and had a senior ad. As a board we paid for two athletes to have yearbook pages because of the exclusion of their ads in the program. Andy made the executive decision to make this happen. The best option is to sell the programs again at the spring football game in May. About 75 programs are left to sell.
- b. The Booster Club has decided not to do a fundraising dance this spring.
- c. The scholarship site is update and there is an online form to apply for the annual scholarship. The board will follow up with Acacia Young with dates.
- d. Cheerleading would like help purchasing patches for letterman's jackets. They provided two quotes and the board is willing to pay for the whole thing. Voting will take place in the general meeting.

2. New Business:

- a. The spring sport concession sign ups have been made. Adult volunteers are needed in each shift. Power-lifting is having regionals and wants concessions for February 23 and possibly March 3. It was discussed about the baseball schedule and parents being at away games and not able to help for the home games. The remaining soccer links are up on the booster website to get more volunteers. Two time slots are available to help with soccer, 5:30 to 7:30pm or 7:00 to 8:30pm. Ann Gillihan is reaching out to parents, the team liaison got the email with the necessary link to share with parents.
- b. The parliamentarian, Jessica Mason will be heading up an Election Nominating Committee to help get ready for the upcoming board election in May. This will

help gain interest in what board members will be returning and who would like to become a board member for next year. Further information and dates will be given at a later date.

- c. Open discussion: It was brought up that members feel that Brandi Gutches should be compensated for all the time and effort she puts forth at athletic events. Her photography is amazing and enjoyed by so many families. We would like to show our appreciation somehow Sandra Antwine will work on the guidelines and bring this up again at the next meeting. The board is needing to fill a position for Special Projects and two people are interested. Catherine Smith has a daughter on the golf team and Jason Johnson has a son on the basketball team. The board unanimously voted in Catherine Smith since Mr. Johnson didn't come to the voting, Her background check has already been cleared and she is officially on the board.

Meeting was adjourned at 6:40pm
