DCM Report

Hello all, we are rocking into October already! And getting stuff done too. Stacey C has taken the reign as District Treasurer...thanks Stacey! And thanks to Casey R for all the work organizing the financial history, etc last month! It was extremely helpful in seeing our finances and where the money is going. Now we can move ahead with confidence and figure our budget accurately. By the way, our new mailing address is :

I'm headed to the Regional Forum this Friday and returning Sunday. I'm excited and looking forward to giving y'all a full report at our District meeting this month on October 14th. Hope to see you there!

Area 68 AA-SWTA District 2 Newsletter October 2018

Step 10: “Continued to take personal inventory and when we were wrong promptly admitted it.”

This step is linked to the Spiritual Principle of **PATIENCE/PERSEVERANCE** – Steadfast despite opposition or adversity; able or willing to bear; to persist in an understanding in spite of counter influences.

A daily inward reflection of my actions that may have harmed others or myself. Day in and day out I will be tested to see if I can remain emotionally stable, sober and live humbly.

Correction of my wrongs is not a one-time thing; I must make self-examination a tireless habit. Only then will I continue to grow and progress.

I must do a spot-check inventory when I have an emotional disturbance. This is a quick, spur-of-the-moment inventory concerned with day-to-day problems. It helps to silence volatile emotions, build character and promote a positive way of life.
