

Student Can't-Do vs. Can-Do

No one understands me.
Someone will find my potential.
I've never done it before.
I have the opportunity to be first.
It will never work.
I'll give it a try.
It can't be done.
It'll be a challenge.
I'm not worth the effort.
I'm thankful for the help.
It's a waste of time.
Think of the possibilities.
I can't.
I CAN!

Parent Can't-Do vs. Can-Do

We've already tried everything.
We'll try it one more time.
My child doesn't communicate.
Let's open new channels.
There's not enough time.
We'll re-evaluate some priorities.
I don't have any ideas how to help my child.
I'll invest time and energy in training.
Let somebody else deal with it.
I'm ready to learn something new.
It's too radical an approach.
Let's take a chance - my child is worth it.
There's no way it will work.
I'm willing to try.
It doesn't fit our schedule.
We should look at it.
It's contrary to "expert" opinion.
Perhaps my child is the expert.
It's a waste of money.
The investment will be worth it.
My child can't.
My child CAN!

Parent feedback from 2016 Camp:

"Thank you for seeing my child for what he CAN do, instead of what he can't."

"They know how to make a child who doesn't experience much success feel like a million bucks!"
