

The Ride Your Way

Revised: 8/28/17

44% more fixed-route service

90,000 additional fixed-route service hours per year

In addition to the benefits of expanded fixed-route service, seniors and people with disabilities will benefit from expanded dial-a-ride service, making it possible to go more places and travel later on weekdays and weekends.

Year 4 Improvement Summary

(To be implemented)

FlexRide, a pilot service, providing shared-ride transportation in southeastern Ypsilanti Township is scheduled to start September 27. For details, visit MyFlexRide.org.

Express service between Ypsilanti Township and Ann Arbor will begin service in January 2018.

Route modifications and schedule revisions to Route 32 to improve timing between buses along Miller Rd and more direct service on Maple between Stadium and Liberty.

Route modification to Route 46 to provide more direct service on Huron River Dr and access to neighborhoods south of Textile Rd.

Routes 43 and 68 connected to provide direct trips between the Gault Village area, shopping on Michigan Ave, and downtown Ypsilanti without transferring between buses.

Begin assessment of previously implemented services. Modify service to provide better connections and improve performance based on customer feedback and data analysis.
