

THURSDAY, SEPTEMBER 27TH
<http://lapsforlaurel.com>

Laps for Laurel is the main fundraising event for our school. The event allows students to raise money while promoting health and wellness.

Each fall, the Laurel student body and staff have the chance to get outside and run or walk laps around the school in a fun-filled, music enhanced environment. Students ask friends and family to sponsor their participation. The money collected is called a pledge. Students earn prizes for the pledges collected. Classes that run the most laps are also awarded. Because this is not a per lap pledge event, all donations are collected before the event.

In the past 10 years, Laps for Laurel has raised nearly \$150,000. 100% of the money earned was invested to benefit Laurel students and staff. \$25,000 of the proceeds directly supported health and fitness at Laurel. The remainder funded books, literacy and technology tools, field trips, classroom aids, live performances for the students, our school yearbook and so much more. Last year we earned \$23,954 and, this year, with your help, we hope to break \$25,000!

Asking for a Pledge in Person

Hi!, my name is _____. I am a student at Laurel and I am going to be a part of a Run-walk-a-thon on September 27th. We're trying to raise money for our school and at the same time, do something fun and active. Would you support me in this event? Your pledge is not tied to how many laps I do, but I will do my best and complete as many laps as I can.

Asking for a pledge via email, text message or letter

Dear Friends and Family,

On September 27th, Katie and I are running around our school for 30 minutes for our school's only fundraiser, called Laps for Laurel. I am in 3rd grade and Katie is in 1st grade. Last year I ran 3 miles and Katie ran 1 mile. This year I want run farther and break my record. Will you be willing to make a donation to our school? All you do is go to this website to make a donation, (credit card) and insert our names, Jake Smith and Katie Smith, so we know who you are and how to thank you. You make just one donation for the whole run (no need to pledge per lap). Here's the donation website:
