TESTIMONIES

“With Coach Stacie and Brenda’s “never fully satisfied coaching style”, I have been fully able to push myself on and off the field to become the best version of myself athletically, as well as, academically. They know what every player is capable of and pushes them to reach their full potential. They do this through discipline, knowledge and encouragement.”

“I have worked all over the United States and interacted with many coaches, and have yet to meet two finer examples of coaches who are dedicated to the sport. The respect and admiration that is shown to Stacie and Brenda, by their players, is a byproduct of the dedication they have to the team, the individual players and their success.”

*Antonio Flores- Collegiate / College Showcase Umpire

“Coach Stacie and Coach Brenda are the kind of coaches that will work you until you can’t go anymore, then the first to pat you on the back when you are done. They treat every girl on their team as if they are their own daughter.”

*former player- University of Southern Indiana

“Coach Stacie and Coach Brenda are the most knowledgeable coaches I have had the opportunity to play for. They make working hard fun and are always there for their players.”
