Rules Clarifications:

1. If players are allowed to remove balls from sand traps because of conditions, coordinator approved, the ball MUST be dropped behind

the trap and on line with the flag and the ball's location in the trap. You may go back as far as desired on this line and drop within ONE club length either side.

2. Unplayable Lie (1 stroke)

Cannot be taken in a penalty area.

If in a bunker it's 1 stroke if you stay in the bunker. If you drop out of the bunker it's 2 strokes.

3. If you hit into a penalty area, you may not hit a provisional unless it's lost or you think it's lost.

There was discussion about changing the handicap adjustment base, which is the white tees to the gold tees. It was determined that there is little to no difference in the end result for your handicap, so there will be no change.
