The thing I love about **Re:Fuel** is how good I feel and how much energy I have every day. Knowing I am getting my daily recommended servings of fruits and vegetables will keep me healthy for many years.

Re:Vive helps me stay clearly focused on my daily objectives with an extra boost of energy and creativity.

Patsy Laufer

Since using **Re:Fuel** for about three years I never get a cold. I haven't been sick in at least two and half years.

I take **Re:Vive** with my lunch and never feel a nap coming on and I can focus on my work. This great product prevents the crash I was having without it.

Merle & Carla Guyton

I took medicine every day for ADD to keep my grades up in High School. This year I started taking **Re:Vive** and was able to stop taking my Medicine and still keep my grades up.

Luke Sowell, Athens, AL

I use **Re:Vive** in my breakfast drink, re-place. It gives me mental clarity and alertness. I like the fact that I do not get a noticed rush nor a crash at the end of the day.

I like the convenience of **Re:Fuel**, six products in one. Knowing that I am getting more than just a vitamin or a mineral, but digestive enzymes, probiotics and much more to help all parts of my body.

Sandy Edson

I understand my family and I need to eat more fruits and vegetables, with our hectic life, it's hard to do. I am so thankful for **Re:Fuel** and **Re:Vive**. Now I know that my family is getting good nutrition.

Elizabeth Kelly

After being hospitalized for pancreatitis. I tried various vitamins with no relief. One year ago I started taking **Re:Fuel** and found they did not affect me in a negative way and actually helped my stomach and my immune system.
Melinda Romero, Houston TX

Just the other day I met someone for the first time. They got in on the end of the, **I Feel Great** presentation. His comment was that I was a good advertisement for it since I had a glow about me!
CC, Grand Rapids, MI

I had problems with my energy levels for a couple of years. I am in my 50's and not able to exercise as much as I would like. **Re:Vive** has given me that energy boost I need.
Tony Romero, Houston TX

I have struggled with a digestion problem all my life. By taking **Re:Fuel** I have less discomfort in my sensitive stomach and I have more energy.

We also take the **Re:Sist** to build our immune system, especially after all of the trauma our bodies sustained after a terrible car accident.
Kristina Villarreal, Houston TX

When I started taking **Re:Vive** and **Re:Fuel**, I had ample amounts of energy with no jitters. Plus I was able to stay focused on my tasks more completely.
Jason Kelly, Birmingham, AL

After starting **Re:Fuel** I have more energy, my digestive tract got healthy - no frequent constipation - my allergies cleared up - no itchy, stuffy nose - and no more acid reflux!
Paul Romero, Houston TX

Our little 2 1/2 year old boy takes **Re:Fuel** and doesn't struggle with common colds and allergies like other children. He is very energetic and strong.
Paul Romero, Houston TX

I drink **Re:Vive** every morning because of the all day energy it gives me and how clear my thinking has become. It is now my beverage of choice instead of coffee.

Dr. Steve Beaty

I feel awesome and I have so much energy since I started the "I Feel Great" Challenge. WOW, what a difference **Re:Fuel** and **Re:Vive** have made in my life.

Amy Fiscus

Re:Fuel is the most complete supplement I have ever seen. I take it every day.

Ernie Ordonez, M.D.

I take **Re:Fuel** daily. I love the energy and vitality it gives me. The capsules are easy to digest and do not irritate my stomach like other supplements.

I have started taking **Re:Fuel** about 8 years ago. Within 6 weeks of starting, I was able to work all week without being fatigued or needing a nap. I drink **Re:Vive** on days that I know I have a lot to accomplish

Martha Reich

I have been taking **Re:Fuel** and **Re:Vive** for years, not sure how many but since the very beginning. I had not visited a physician, even for a check-up, in years.

Dale Graffuis

Re:Fuel gives me the energy to go all day without having that "slump" or tired feeling.

Re:Vive does not make me jittery.. It makes me feel energetic and more alert.

Ed Tomlin

Re:Fuel gives me the energy to go all day without having that "slump" or tired feeling. It gives me the "FUEL" to do what needs to be done.

Pattie Boyles

I have been taking **Re:Fuel** for the last 10 years or more and have had just 1 cold during that time and never have been sick during that time. Thanks again

Roger J. Mulder

I was very excited to try **Re:Fuel**. I took it, as directed, for 90 days. I began to notice the difference, immediately. A check-up revealed that I was “non-anemic for the first time in years.
Marsha Bell

It’s only been about three months of **Re:Fuel** three times a day and all the numbers that were threatening the longevity of my life have improved. What a great birthday present!
Reggie Higgins

After I started using the **Re:Fuel**, I could work 5 or 6 hours at a time. Previously I couldn’t work at all, I was on disability for an injury.
Johannes Hoendervanger

Re:Fuel not only did I notice a difference in my energy level, but I also found that it seemed to help me with my stomach problems.
